34 STATEMENT

35
36 This bill authorizes a municipal or county governing body to grant
37 Length of Service Award Program (LOSAP) points to certain
38 volunteer members of fire departments or first aid squads.

39 Under current law, an active volunteer member of an emergency
40 service organization who is deployed to active duty to serve in either
41 the reserve component of the armed forces of the United States or the
42 New Jersey National Guard is prohibited from earning LOSAP points
43 for the period they are deployed.

44 Under this bill, a local governing body may grant LOSAP points to
45 a volunteer who is on State or federal active duty or active duty for
46 training if the person returns to active volunteer status for a period
47 of time equivalent to the time served, unless the person is unable to
48 resume active volunteer status due to death or serious injury.

- 3 According to the sponsor, these volunteers should not be penalized
- 4 because of their active military participation.
