STATEMENT

32

33 This bill authorizes craft distilleries to direct ship up to nine
34 liters of distilled spirits per year and eliminates certain sales
35 restrictions.

36 The bill expressly authorizes craft distillery licensees to ship up
37 to nine liters of distilled spirits per year to any person over 21 years
38 of age for personal consumption and not for resale. The bill
39 provides that a copy of the original invoice is to be available for
40 inspection at the licensed premises of the distillery for a minimum
41 period of three years.

42 The bill removes existing statutory language: 1) prohibiting the
43 direct shipment of distilled spirits within and outside the State; 2)
44 requiring visitors take a tour in order to be allowed to consume
45 distilled spirits on the premises; and 3) limiting the retail sale of the
46 distilleries' products for consumption off the premises to five liters
47 per person.

1 This legislation is similar to a Kentucky law, referred to as
2 “Bourbon without Borders,” which authorizes the shipment of up to
3 nine liters of distilled spirits per year.
