DATED: FEBRUARY 24, 2020

The Senate Military and Veterans Affairs Committee reports favorably Senate Bill No. 1235.

This bill allows the use of a special license plate or placard issued to a disabled veteran (veteran) or Purple Heart recipient (recipient) to permit a veteran or recipient to be exempt from paying a parking meter fee (fee) when driving or traveling as a passenger in a motor vehicle regardless of the vehicle's ownership. The exemption does not apply to instances when the motor vehicle is parked for more than 24 hours at one location where the motor vehicle is subject to a fee.
