35

STATEMENT

36

37 This bill would require the Secretary of State to develop and
38 prepare a five-year “Comprehensive State Plan for Economic
39 Development.” The plan would describe the State's vision, goals,
40 objectives, and strategies for economic development.

41 The bill specifies that the plan must identify business sectors,
42 including those sectors which have potential growth in this State's
43 economy and global business image, and strategies to encourage the
44 creation and expansion of businesses in this State and the relocation
45 of businesses to this State. The bill provides that the plan must
46 identify potential partners for the implementation of these
47 strategies, including federal and local governments, local and
48 regional organizations for economic development growth, chambers

1 of commerce, private businesses and investors, and nonprofit
2 entities.

3 Other components of the plan required under the bill include:

- 4 • strategies for talent development necessary to encourage
5 economic development growth in New Jersey;
6 • strategies to engage women, veterans, and minorities in
7 developing businesses;
8 • strategies to improve and develop tourism;
9 • an analysis of current and projected economic indicators.
