3
4 **BE IT ENACTED** *by the Senate and General Assembly of the State*
5 *of New Jersey:*

6
7 1. R.S.23:3-1 is amended to read as follows:

8 23:3-1. a. A person shall not at any time hunt, take or attempt to
9 take, kill or pursue, with a gun or any firearm of any kind or
10 character, or with longbow and arrow, a wild bird, animal or fowl,
11 or take or attempt to take any skunk, mink, muskrat, or other fur-
12 bearing animal by means of a trap, or set a trap for any fur-bearing
13 animal, nor shall any person above the age of 16 years at any time
14 take or attempt to take fish in any of the fresh waters of this State
15 by the method commonly known as angling with a hand line or rod
16 and line, or with longbow and arrow, unless he has first procured a
17 proper license.

18 b. A person shall not engage in hunting, fishing or trapping
19 unless the appropriate license or tag as prescribed hereunder is
20 visibly displayed in a holder in a conspicuous place on the outer

30 therefor.

31 e. Nothing in this section shall prevent the occupant of a farm
32 in this State, who actually resides thereon, or the immediate
33 members of his family who also reside thereon, from hunting for,

35 arrow on the farm a wild bird, animal or fowl, from taking any

Matter underlined thus is new matter.

1 from taking or attempting to take fish from a private community
2 lake in the resident's community with a hand line, rod and line, or
3 longbow and arrow, in the manner provided by law and during the
4 time when it is lawful to do so, without being licensed hereunder.

5 (2) As used in this subsection:

6 "Private community" or "community" means an association or
7 other organized group of homeowners or tenants residing within a
8 fixed or defined geographic area, which homeowners or tenants
9 have, through contract or deed, provided for and agreed to common
10 or shared ownership or other interests in real property, and which
11 common or shared real property remains closed to the general
12 public, except to bona fide guests of the homeowners and tenants
13 who share ownership or other interest therein. "Private community"
14 includes, but is not limited to, a retirement subdivision or retirement
15 community, as defined by section 2 of the "Retirement Community
16 Full Disclosure Act," P.L.1969, c.215 (C.45:22A-2), and a planned
17 real estate development, as defined by section 3 of "The Planned
18 Real Estate Development Full Disclosure Act," P.L.1977, c.419
19 (C.45:22A-23).

20 "Private community lake" means a manmade, self-contained
21 body of water that is located on land owned by a private
22 community, and which body of water is under the exclusive control
23 of community members or residents, and is stocked and maintained
24 at their sole expense.

25 g. (1) Any person found hunting, fishing or trapping without
26 the proper license or tag as may be required conspicuously
27 displayed pursuant to subsection b. of this section shall be liable to
28 a penalty of \$10 and costs, to be recovered pursuant to the
29 provisions of Title 23, chapter 10, of the Revised Statutes.

30 (2) Any person who violates any provision of this section for
31 which a penalty is not otherwise expressly provided, shall be liable
32 to a penalty of not less than \$50 nor more than \$200 for each
33 offense.

34 (cf: P.L.1999, c.282, s.3)

35
36 2. This act shall take effect immediately.

37 38 39 STATEMENT

40
41 This bill would specify that a fishing license is not required in
42 order for a resident of a private community, or the authorized guests
43 thereof, to take fish from a private community lake in the resident's
44 community. "Private community lake" is defined by the bill to
45 mean: "a manmade, self-contained body of water that is located on
46 land owned by a private community, and which body of water is
47 under the exclusive control of community members or residents,
48 and is stocked and maintained at their sole expense."

1 Although current statutory law provides that a person must
2 obtain a fishing license in order to engage in fishing activities on
3 the “waters of this State,” it also specifies that “[a]ll ponds, lakes
4 and waters created by or under the exclusive control of any
5 individuals or associations, stocked and maintained at their sole
6 expense and not runways for migratory fish shall be considered
7 *private* waters” (emphasis added), rather than “waters of this
8 [S]tate.” Apparently, however, the Division of Fish and Wildlife
9 (DFW) does not interpret the current law in this regard as providing
10 an exemption from the State’s fishing licensure requirements for
11 persons who are engaged in authorized fishing activities at a private
12 community lake, as defined above. As a result, and in order to
13 prevent the future issuance by DFW of citations to such persons for
14 unlicensed fishing, this bill would add a provision to the State’s
15 fishing licensure law in order to clearly specify that a fishing
16 license is not required for these authorized persons to fish at a
17 private community lake.
