SENATE, No. 2958

with Senate Floor Amendments
(Proposed by Senator CRYAN)

ADOPTED: DECEMBER 20, 2021

These floor amendments provide that no campus staff, faculty, or resident assistant at an institution of higher education will be held liable for any good faith act or omission consistent with the implementation of suicide prevention programs and mental health awareness programs required under the bill. For purposes of this bill, good faith shall not include willful misconduct, gross negligence, or recklessness.
