21 STATEMENT

22
23 This bill provides that a New Jersey Better Educational Savings
24 Trust (NJBEST) program account when it is initially opened will be
25 eligible for: (1) a one-time State grant of up to \$250 in a dollar-for-
26 dollar match of the initial deposit to the account; and (2) a one-time
27 State grant of \$50 if an automatic contribution plan is established
28 for the account. The Higher Education Student Assistance
29 Authority will promulgate rules related to the receipt of the grants,
30 including a minimum length of time for participation in the
31 NJBEST program in order to maintain eligibility for the grants.

32 The bill also allows a credit against an individual's gross income
33 tax for contributions to the NJBEST program. Under the bill,
34 married individuals filing a joint return will be eligible for a credit
35 of up to \$600 of the taxpayer's contributions for the taxable year,
36 and for married individuals filing separately or unmarried
37 individuals, the credit would be up to \$300 of the taxpayer's
38 contributions.

39 The NJBEST program is New Jersey's qualified college savings
40 program under section 529 of the federal Internal Revenue Code, 26
41 U.S.C. s.529. Federal tax law allows contributions of federally
42 taxed income to accounts established for the beneficiary's qualified
43 higher education expenses. Account investment earnings are not
44 federally taxed until withdrawn, and if the earnings are used for
45 qualified higher educational expenses, they are never taxed.
46 Currently, New Jersey matches those federal tax advantages.
