5 *of New Jersey:*

6
7 1. a. Receipts from sales of materials, supplies, or services made
8 to a small business for exclusive use in winterizing the small business,
9 including improving, altering, or repairing real property of the small
10 business, shall be exempt from the tax imposed pursuant to the “Sales
11 and Use Tax Act,” P.L.1966, c.30 (C.54:32B-1 et seq.), for the
12 duration of the exemption period.

13 b. In order to claim the exemption provided pursuant to this
14 section, a small business shall file an exemption application with the
15 Director of the Division of Taxation in the Department of the Treasury
16 within ¹**[30 days of the conclusion of the exemption period]** 60 days
17 after the date of enactment of P.L. , c. (C.) (pending before the
18 legislature as this bill)¹. A small business shall only be allowed to file
19 one exemption application with the director.

20 c. The exemption application shall include a list of purchases
21 made by or services rendered to the small business that qualify for the
22 exemption, the price of each item listed on the application, the date
23 each purchase was made or service was rendered, and a declaration by
24 the small business that the items listed for which an exemption was
25 applied were exclusively used in winterizing the small business for
26 outdoor operations. The director may require a small business to
27 submit such documentation, records, receipts, or other information as
28 deemed necessary to verify that the small business applying for the
29 exemption meets the criteria set forth to claim the exemption and is a
30 small business.

31 d. If a small business willfully and knowingly falsifies any
32 document, record, receipt, or other information required by the director
33 to claim the exemption provided pursuant to this section, that small
34 business shall be subject to a penalty of \$100 for a first offense and
35 \$200 for each subsequent offense thereafter.

36 e. If the director determines that a small business is entitled to an
37 exemption after successfully submitting an exemption application, the
38 small business shall be entitled to a refund equal to the amount of sales
39 tax paid for each item purchased or service rendered that qualifies
40 pursuant to this section. The refund shall be paid to the small business
41 within 45 days of the submission of an exemption application.
