1 Executive officials, because of the COVID-19 pandemic and
2 ongoing construction to the State House, have not utilized the
3 House Complex to the same extent as the Legislature. In order to
4 more appropriately balance decision-making authority regarding
5 management and maintenance of the House Complex, this bill
6 changes the composition of the commission.

7 This bill increases the legislative representation in the
8 commission, with two members each being appointed by the
9 President of the Senate, the Speaker of the General Assembly, the
10 Minority Leader of the Senate, and the Minority Leader of the
11 General Assembly. Additionally, the executive members of the
12 commission, the Director of the Division of Budget and
13 Accounting, the General Services Administrator and two members
14 appointed by the Governor, will become non-voting members of the
15 commission.
