4
5 **WHEREAS**, The “New Jersey Educational Opportunity Act of 1968,”
6 P.L.1968, c.142 (C.18A:71-28 et seq.) established the Educational
7 Opportunity Fund (EOF) to ensure meaningful access to higher
8 education for economically and educationally disadvantaged
9 students; and

10 **WHEREAS**, For over 50 years, EOF has provided a wide array of
11 services and support for students, including counseling, tutoring,
12 and developmental course work, designed to foster academic
13 achievement, the development of leadership skills, and persistence
14 to graduation; and

15 **WHEREAS**, In addition to support services, EOF provides financial
16 assistance to eligible students at participating institutions. Under
17 EOF, annual undergraduate grants range from \$200 to \$2,650
18 depending on the type of institution, enrollment status, and financial
19 need of the student. The grants are renewable based upon continued
20 eligibility; and

21 **WHEREAS**, According to the Secretary of Higher Education, EOF
22 serves more than 13,000 students each year at 70 EOF campus
23 programs at 41 participating post-secondary institutions in the
24 State. Approximately 11,600 of the EOF recipients attend public
25 institutions of higher education; and

26 **WHEREAS**, In its final report issued in September 2016, the New
27 Jersey College Affordability Study Commission found that EOF is
28 a well-structured program with an effective and targeted approach
29 to making college more attainable and affordable for the students it
30 serves. The commission commended EOF for its outstanding work
31 in providing a gateway to higher education for students with
32 academic and financial challenges; and

33 **WHEREAS**, The commission also urged the continued support of EOF
34 and, where possible, encouraged the expansion of EOF through
35 increased State appropriations in order to meet the needs of more
36 New Jersey students; now, therefore
