

STATEMENT TO

SENATE JOINT RESOLUTION No. 38

with Assembly Floor Amendments
(Proposed by Assemblywoman QUIJANO)

ADOPTED: AUGUST 27, 2020

These floor amendments make a technical change involving usage and provide that there are community-based organizations in this State, such as the Sickle Cell Association of New Jersey, that can make a greater impact in raising awareness about sickle cell disease if there is a designated "Sickle Cell Awareness Month" in New Jersey.
