STATEMENT

17

18 This joint resolution designates June 2 of every year as “Gun
19 Violence Awareness Day” in New Jersey to honor and remember all
20 victims of, and others affected by, firearm violence. The resolution
21 also requires the Governor to issue a proclamation calling on public
22 officials and citizens of New Jersey to observe June 2 of every year as
23 “Gun Violence Awareness Day.”

24 The national “Gun Violence Awareness Day” campaign was
25 established by the friends of Hadiya Pendleton to commemorate her
26 life. Tragically, Hadiya, at the age of 15, was shot and killed in
27 Chicago just one week after performing at President Obama’s second
28 inaugural parade. On June 2, 2013, Chicago teens first marched to
29 raise awareness about firearm violence and honor the lives cut short
30 every day because of firearm related violence.

31 Communities nationwide annually recognize “Gun Violence
32 Awareness Day” to promote greater awareness about firearm violence
33 and firearm safety, to concentrate heightened attention on firearm
34 violence during the summer months, when this violence typically
35 increases, and to bring citizens and community leaders together to
36 discuss ways to make our communities safer.
