5 1837, in the borough of Caldwell, New Jersey, the site of which is
6 listed on the National Register of Historic Places; and
7 **WHEREAS**, Despite a tumultuous upbringing in western New York,
8 which caused Cleveland to leave school multiple times, he managed
9 to study law and was admitted to the New York bar in 1859; and
10 **WHEREAS**, In 1881, after relocating to the city of Buffalo, Cleveland
11 was recruited by the Democratic Party to oppose the corruption that
12 plagued the city, winning a decisive victory in the mayoral election

17 **WHEREAS**, Continuing his tradition of anti-corruption, Cleveland
18 entered the 1884 presidential election and defeated Republican
19 challenger and former Secretary of State James G. Blaine; and

21 abandoned the traditional “spoils system,” which awarded jobs to
22 supporters of the president rather than those most qualified; and
23 **WHEREAS**, President Cleveland lost the highly disputed presidential

25 the election fraud in Indiana, a crucial swing state; and
26 **WHEREAS**, President Cleveland remained dedicated to national issues
27 and, in 1891, drafted a letter concerning silver which thrust him
28 back into the national spotlight; and
29 **WHEREAS**, Building off the momentum from the letter, President
30 Cleveland launched a successful challenge against President
31 Harrison in 1892 and became the first, and only, president to serve
32 two, non-consecutive terms; and
33 **WHEREAS**, After completing his second term in office, President
34 Cleveland retired to his home, Westland Mansion, in Princeton,
35 New Jersey, which is also listed on the National Register of

38 retirement as both a trustee for Princeton University and occasional
39 consultant to President Theodore Roosevelt; and
40 **WHEREAS**, President Cleveland died on June 24, 1908, and is interred
41 at the Princeton Cemetery of the Nassau Presbyterian Church; and
42 **WHEREAS**, His legacy as the only president to be born in New Jersey
43 persists, with the Grover Cleveland Middle School in his birthplace
44 of Caldwell, New Jersey and his induction into the New Jersey Hall

STATEMENT

23

24 This resolution designates the week of March 18 of each year as
25 “President Grover Cleveland Week” in New Jersey to celebrate the
26 life and service of President Grover Cleveland.

27 President Cleveland was born in the borough of Caldwell, New
28 Jersey on March 18, 1837. After a successful career as a lawyer in
29 upstate New York, President Cleveland embarked on a
30 distinguished career in public service. In 1881, President Cleveland
31 was elected Mayor of Buffalo, New York, serving for one year
32 before being approached by the Democratic Party to run for
33 governor. In 1882, President Cleveland won, what was at the time,
34 the largest margin of victory ever for a New York election.
35 President Cleveland would serve for two years before the
36 presidential election of 1884.

37 In 1884, President Cleveland won the presidential election and
38 became the first, and only, person born in New Jersey to win the
39 presidency. President Cleveland began his term by not
40 implementing the common “spoils system,” which awarded
41 government jobs to supporters rather than those fit to fill the
42 positions. The departure from the “spoils system” was a major
43 reform in Washington, D.C. at the time. In 1886, President
44 Cleveland became the first, and only, president to be wed in the
45 White House.

46 Although President Cleveland was defeated in the presidential
47 election of 1888, he remained dedicated to the issues of the nation.
48 His popularity among the American people remained as well, and in

1 1892, President Cleveland was once again elected president,
2 defeating incumbent, President Benjamin Harris. President
3 Cleveland remains the only president to serve two, non-consecutive
4 terms, a testament to his determination even in the face of defeat.

5 After his second term ended in 1897, President Cleveland retired
6 to his home, Westland Mansion, in Princeton, New Jersey. Prior to
7 his death, he continued his service as a trustee for Princeton
8 University and occasional consultant for President Theodore
9 Roosevelt.
