1 AN ACT concerning pharmaceuticals, supplementing Title 24 of the  
2 Revised Statutes, and making an appropriation.

3

4 **BE IT ENACTED** by the Senate and General Assembly of the State  
5 of New Jersey:

6

7 1. As used in this act:

8 “Biological product” means the same as that term is defined in  
9 section 1 of P.L.2015, c.130 (C.24:6K-1).

10 <sup>1</sup>“Biosimilar” means a drug that is produced or distributed in  
11 accordance with an approved biologics license application approved  
12 under subsection (k) of section 351 of the Public Health Service Act  
13 (42 U.S.C. s.262(k)).<sup>1</sup>

14 “Board” means the Prescription Drug Affordability Board  
15 established pursuant to section 2 of this act.

16 “Brand name drug” means a drug that is produced or distributed  
17 in accordance with an original new drug application approved under  
18 21 U.S.C. s.355(c). “Brand name drug” shall not include an  
19 authorized generic drug as defined in 42 C.F.R. s.447.502.

20 “Carrier” means the same as that term is defined in section 2 of  
21 P.L.1997, c.192 (C.26:2S-2).

22 “Council” means the Prescription Drug Affordability  
23 Stakeholder Council established pursuant to section 3 of this act.

24 “Generic drug” means: a retail drug that is marketed or  
25 distributed in accordance with an abbreviated new drug application  
26 that is approved under 21 U.S.C. s.355(j); an authorized generic as  
27 defined in 42 C.F.R. s.447.502; or a drug that entered the market  
28 before 1962 that was not originally marketed under a new drug  
29 application.

30 “Health benefits plan” means the same as that term is defined in  
31 section 2 of P.L.1997, c.192 (C.26:2S-2).

32 <sup>1</sup>**【 “Interchangeable” means the same as that term is defined in**  
33 **section 1 of P.L.2015, c.130 (C.24:6K-1).】<sup>1</sup>**

34 “Logistics provider” means an entity that receives a prescription  
35 drug product from the original or contract manufacturer,  
36 warehouses and delivers the prescription drug product at the  
37 direction of the manufacturer, and does not purchase, sell, trade, or  
38 take title to the prescription drug product.

39 “Manufacturer” means an entity that: engages in the  
40 manufacture of a prescription drug product or enters into a lease  
41 with another manufacturer to market and distribute a prescription  
42 drug product under the entity’s own name; and sets or changes the  
43 wholesale acquisition cost of the prescription drug product that it  
44 manufactures or markets.

**EXPLANATION – Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted in the law.**

**Matter underlined thus is new matter.**

**Matter enclosed in superscript numerals has been adopted as follows:**

<sup>1</sup>Assembly AFI committee amendments adopted February 3, 2022.

<sup>2</sup>Assembly AHE committee amendments adopted May 26, 2022.

1 “Prescription drug product” means a brand name drug, a generic  
2 drug, <sup>1</sup>or<sup>1</sup> a biological product<sup>1</sup>【, or an interchangeable product】<sup>1</sup>.

3 “Wholesale distributor” means a business registering under  
4 P.L.1961, c.52 (C.24:6B-1 et seq.) that is engaged in the wholesale  
5 distribution of a prescription drug product. “Wholesale distributor”  
6 shall not include a common carrier, or an employee thereof, whose  
7 possession of a prescription drug product is in the usual course of  
8 the common carrier’s or employee’s business or employment, and  
9 shall not include a logistics provider or an employee thereof.

10  
11 2. a. The Prescription Drug Affordability Board is established in,  
12 but not of, the Department of Law and Public Safety. Notwithstanding  
13 the foregoing, the board shall be independent of any supervision or  
14 control by the department or by any agency, board, office, or  
15 individual within the department.

16 b. It shall be the duty of the board to protect New Jersey  
17 residents, State and local governments, health benefits plans, health  
18 care providers, licensed pharmacies, and other stakeholders within the  
19 State health care system from the high costs of prescription drug  
20 products.

21 c. (1) The board shall comprise five public members and three  
22 alternate public members, who shall participate in board deliberations  
23 in any case in which a public member is recused.

24 (a) The five public members of the board shall be appointed as  
25 follows: one member by the Governor; one member by the President  
26 of the Senate; one member by the Speaker of the General Assembly;  
27 one member by the Attorney General; and one member jointly by the  
28 President of the Senate and the Speaker of the General Assembly,  
29 which member shall serve as chair of the board.

30 (b) The three alternate public members of the board shall be  
31 appointed as follows: one member by the Governor; one member by  
32 the President of the Senate; and one member by the Speaker of the  
33 General Assembly.

34 (2) Each public member and alternate public member of the board  
35 shall have expertise in health care economics or clinical medicine.

36 (3) No public member <sup>2</sup>or alternate public member<sup>2</sup> of the board  
37 may be an employee of, a board member of, or a consultant to, a  
38 manufacturer, pharmacy benefits manager, pharmacy services  
39 administrative organization, pharmacy, <sup>2</sup>pharmacist,<sup>2</sup> health benefits  
40 plan carrier, or wholesale distributor or related trade association. <sup>2</sup>【No  
41 alternate public member of the board may be an employee of, a board  
42 member of, or a consultant to, a health benefits plan carrier or a  
43 wholesale distributor or related trade association.】<sup>2</sup>

44 (4) An individual appointed to the board as a public member or an  
45 alternate public member shall disclose, at the time of appointment, any  
46 conflict of interest, including whether the individual has an  
47 association, including a financial or personal association, that has the

1 potential to bias or has the appearance of biasing the individual's  
2 decision in matters related to the board or the conduct of the board's  
3 activities.

4 (5) To the extent practicable and consistent with State and federal  
5 law, the membership of the board shall reflect the racial, ethnic, and  
6 gender diversity of the State.

7 d. Public members and alternate public members of the board  
8 shall serve for a term of five years, except that, of the public members  
9 first appointed, one shall serve a term of three years, two shall serve a  
10 term of four years, and two shall serve a term of five years. Public  
11 members and alternate public members shall be eligible for  
12 reappointment to the board. Vacancies in the membership shall be  
13 filled in the same manner as provided for the original appointment, and  
14 members shall serve until a successor has been appointed.

15 e. The chair of the board shall hire an executive director, general  
16 counsel, and staff. Every five years, the chair shall develop a five-year  
17 budget and staffing plan and submit it to the board for approval. The  
18 executive director, general counsel, and staff of the board shall receive  
19 a salary as provided in the budget of the board. Public and alternate  
20 public members of the board shall be entitled to such compensation as  
21 may be approved under the State budget, and shall be entitled to  
22 reimbursement for expenses reasonably incurred in the performance of  
23 their official duties.

24 f. The board shall meet in open session at least once every six  
25 weeks, provided that the chair shall have the authority to postpone or  
26 cancel any required meeting. <sup>2</sup>Subject to the requirements of  
27 paragraph (2) of this subsection, all meetings of the board shall be  
28 subject to the requirements of the "Senator Byron M. Baer Open  
29 Public Meetings Act," P.L.1975, c.231 (C.10:4-6 et seq.).<sup>2</sup> Three  
30 members shall constitute a quorum for the purposes of conducting  
31 official board business.

32 (1) The following board actions shall be undertaken in open  
33 session:

34 (a) the study required under section 5 of this act;

35 (b) deliberations as to whether to subject a prescription drug  
36 product to a cost review pursuant to section 7 of this act;

37 (c) any vote on whether to establish an upper payment limit on  
38 purchases and payor reimbursements of prescription drug products in  
39 the State or to authorize and develop requirements for the importation  
40 of prescription drug products from other countries; and

41 (d) any enforcement, regulatory, or other decision by the board.

42 (2) The board may meet in closed session to discuss trade secrets  
43 or confidential and proprietary data and information, as described in  
44 section 8 of this act.

45 (3) The board shall provide public notice of each board meeting at  
46 least two weeks in advance of the meeting. Materials for each board  
47 meeting shall be made available to the public at least seven calendar  
48 days in advance of the meeting.

- 1 (4) The board shall provide an opportunity for public comment at  
2 each open meeting of the board.
- 3 (5) The board shall provide the public with the opportunity to  
4 provide written comments on pending decisions of the board.
- 5 (6) The board may allow expert testimony at board meetings,  
6 including when the board meets in closed session.
- 7 (7) To the extent practicable, the board shall access pricing  
8 information for prescription drug products by:
- 9 (a) entering into a memorandum of understanding with another  
10 state to which manufacturers already report pricing information; and  
11 (b) accessing other available pricing information.
- 12 (8) (a) Public members of the board shall recuse themselves from  
13 decisions related to a prescription drug product if the member, or an  
14 immediate family member of the member, has received or could  
15 receive any of the following:
- 16 (i) a direct financial benefit of any amount deriving from the result  
17 or finding of a study or determination by or for the board; or  
18 (ii) a financial benefit from any person that owns, manufactures, or  
19 provides prescription drug products, services, or items to be studied by  
20 the board that, in the aggregate, exceeds \$500 per year.
- 21 (b) For the purposes of subparagraph (a) of this paragraph, a  
22 financial benefit includes honoraria, fees, stock, the value of the  
23 member's or immediate family member's stock holdings, and any  
24 direct financial benefit deriving from the finding of a review  
25 conducted under this act.
- 26 (c) An alternate public member shall serve in the place of a  
27 recused public member, provided the alternate public member or an  
28 immediate family member of the alternate public member has not  
29 received, and could not receive, any financial benefit for which recusal  
30 is required pursuant to subparagraph (a) of this paragraph.
- 31 g. In addition to the other powers set forth in this act, the board  
32 may:
- 33 (1) conduct hearings concerning possible violations of this act and  
34 determine appropriate penalties or other remedies to be assessed  
35 against individuals in violation of the requirements of this act;
- 36 (2) refer non-compliance matters to the Attorney General, who  
37 may pursue appropriate legal remedies; and
- 38 (3) enter into a contract with a qualified, independent third party  
39 for any service necessary to carry out the powers and duties of the  
40 board. Unless permission is granted by the board, a third party hired  
41 by the board pursuant to this paragraph shall not release, publish, or  
42 otherwise use any information to which the third party has access  
43 under its contract.
- 44 h. Public members, alternate public members, staff, and third  
45 party contractors of the board shall not accept any gift or donation of  
46 services or property that indicates a potential conflict of interest or has  
47 the appearance of biasing the work of the board.

1 <sup>2</sup>i. A member of the board shall not be liable in an action for  
2 damages to any person for any action taken or recommendation made  
3 by the member within the scope of the member's functions as a  
4 member, if the action or recommendation was taken or made without  
5 malice. The members of the board shall be indemnified and their  
6 defense of any action provided for in the same manner and to the same  
7 extent as employees of the State under the "New Jersey Tort Claims  
8 Act," P.L.1972, c.45 (C.59:1-1 et seq.) on account of acts or omissions  
9 in the scope of their service.<sup>2</sup>

10  
11 3. a. The Prescription Drug Affordability Stakeholder Council is  
12 established in <sup>2</sup>[, but not of,]<sup>2</sup> the Prescription Drug Affordability  
13 Board.

14 b. It shall be the duty of the council to provide stakeholder input  
15 to assist the board in making decisions as required under this act.

16 c. The council shall comprise 27 members, to be appointed as  
17 follows:

18 (1) The Speaker of the General Assembly shall appoint nine  
19 members, including: (a) one representative of generic drug  
20 corporations; (b) one representative of nonprofit health benefits plan  
21 carriers; (c) one representative of a Statewide health care advocacy  
22 coalition; (d) one representative of a Statewide advocacy organization  
23 for seniors; (e) one representative of a Statewide organization for  
24 diverse communities; (f) one representative of a labor union; (g) one  
25 health services researcher specializing in prescription drugs; <sup>2</sup>[and]<sup>2</sup>  
26 (h) <sup>2</sup>[two public members] one representative of a Medicaid managed  
27 care organization; and (i) one public member<sup>2</sup>;

28 (2) The President of the Senate shall appoint nine members,  
29 including: (a) one representative of brand name drug corporations; (b)  
30 one representative of physicians; (c) one representative of nurses; (d)  
31 one representative of hospitals; (e) one representative of dentists; (f)  
32 one representative of health benefits plan carriers; (g) one  
33 representative of the Office of Budget and Management in the  
34 Department of the Treasury; (h) one clinical researcher; and (i) one  
35 public member; and

36 (3) The Governor shall appoint nine members, including: (a) one  
37 representative of brand name drug corporations; (b) one representative  
38 of generic drug corporations; (c) one representative of biotechnology  
39 companies; (d) one representative of for profit health benefits plan  
40 carriers; (e) one representative of employers; (f) one representative of  
41 pharmacy benefits managers; (g) one representative of pharmacists; (h)  
42 one pharmacologist; and (i) one <sup>2</sup>[public member] representative of  
43 wholesale distributors<sup>2</sup>.

44 d. (1) The membership of the council shall collectively have  
45 knowledge of:

46 (a) the pharmaceutical business model;

47 (b) supply chain business models;

- 1 (c) the practice of medicine and clinical training;
- 2 (d) consumer and patient perspectives;
- 3 (e) health care cost trends and drivers;
- 4 (f) clinical and health services research; and
- 5 (g) the State's health care marketplace.

6 (2) To the extent practicable and consistent with State and federal  
7 law, the membership of the council shall reflect the racial, ethnic, and  
8 gender diversity of the State.

9 (3) The chair of the Prescription Drug Affordability Board shall  
10 select, from among the membership of the council, two members who  
11 shall serve as co-chairs of the council.

12 e. Each member of the council shall serve a term of three years,  
13 except that, of the members first appointed, nine shall serve for a term  
14 of one year, nine shall serve for a term of two years, and nine shall  
15 serve for a term of three years. Members shall be eligible for  
16 reappointment to the council. Vacancies in the membership shall be  
17 filled in the same manner as provided for the original appointment, and  
18 members shall serve until a successor has been appointed.

19 f. Members of the council shall serve without compensation, but  
20 may be reimbursed for expenses reasonably incurred in the  
21 performance of their official duties.

22

23 4. a. Conflicts of interest involving the Prescription Drug  
24 Affordability Board shall be disclosed to the public on the board's  
25 Internet website as follows:

26 (1) conflicts of interest involving staff of the Prescription Drug  
27 Affordability Board shall be disclosed at the time the staff member  
28 is hired or at such time as an existing staff member identifies or  
29 acquires a new conflict of interest;

30 (2) conflicts of interest involving the public members and  
31 alternate public members of the board shall be disclosed by the  
32 appointing authority at the time of appointment or at such time as  
33 an existing member identifies or acquires a new conflict of interest;  
34 and

35 (3) conflicts of interest requiring recusal of a public member of  
36 the board from a final decision resulting from a review of a  
37 prescription drug product shall be disclosed in advance of the first  
38 public meeting after the conflict is identified, or within five days  
39 after the conflict is identified, whichever occurs first.

40 b. Disclosure of a conflict of interest pursuant to this section  
41 shall include the type, nature, and magnitude of the interests of the  
42 individual involved.

43

44 5. a. The Prescription Drug Affordability Board shall conduct a  
45 study of the entire pharmaceutical distribution and payment system in  
46 the State and any policy options that are being used in other states and  
47 countries to lower the list price of pharmaceutical drug products,  
48 including, but not limited to: establishing upper payment limits;

1 <sup>2</sup>【using a reverse auction marketplace】 revising the number of  
2 permitted cost sharing tiers and the limitations on cost sharing  
3 amounts; enhancing distribution of specialty drugs; developing, or  
4 adopting measures to facilitate the development of, new supply  
5 pipelines; adopting measures to facilitate the availability of new  
6 biological products; adopting measures to promote the administration  
7 of pharmaceutical drug products in the most cost-effective settings<sup>2</sup>;  
8 using a closed formulary; authorizing importation of prescription drugs  
9 from other countries; and implementing a bulk purchasing process.  
10 The study required pursuant to this subsection shall be completed no  
11 later than 18 months after the effective date of this act.

12 b. No later than six months after the effective date of this act, the  
13 board shall conduct a study of the operation of the generic <sup>2</sup>【drug  
14 market】 , brand name, and specialty drug markets<sup>2</sup> in the United  
15 States, which study shall include a review of practitioner-administered  
16 drugs and consideration of:

17 (1) the prices of generic <sup>2</sup> , brand name, and specialty<sup>2</sup> drugs on a  
18 year-to-year basis;

19 (2) the degree to which generic <sup>2</sup> , brand name, and specialty<sup>2</sup> drug  
20 prices affect yearly insurance premium changes;

21 (3) annual changes in insurance cost-sharing for generic <sup>2</sup> , brand  
22 name, and specialty<sup>2</sup> drugs;

23 (4) the potential for, and history of, drug shortages;

24 (5) the degree to which generic <sup>2</sup> , brand name, and specialty<sup>2</sup> drug  
25 prices affect annual State spending under the State Health Benefits  
26 Program, the School Employees' Health Benefits Program, the  
27 Medicaid and NJ FamilyCare programs, the Senior Gold program, and  
28 the Pharmaceutical Assistance to the Aged and Disabled program; and

29 (6) any other issues the board deems relevant.

30 c. No later than six months after the effective date of this act, the  
31 board shall conduct a study of pharmacy benefit managers <sup>2</sup>and  
32 pharmacy services administrative organizations<sup>2</sup> , with a focus on  
33 practices used by pharmacy benefit managers <sup>2</sup>and pharmacy services  
34 administrative organizations<sup>2</sup> that may impact the cost of  
35 pharmaceutical drug products in New Jersey, as well as methods to  
36 regulate or otherwise restrict practices demonstrated to impact  
37 pharmaceutical drug product costs, including:

38 (1) requiring pharmacy benefits managers to disclose to the board  
39 the sources and formulas used by pharmacy benefit managers to  
40 determine multiple source generic drug pricing and brand-name drug  
41 pricing, which sources and formulas are set forth in contracts between  
42 a pharmacy benefits manager and a pharmacy services administrative  
43 organization, or between a pharmacy benefits manager and a  
44 contracted pharmacy, pursuant to section 2 of P.L.2015, c.179  
45 (C.17B:27F-2), and reviewing those sources and formulas;

46 (2) <sup>2</sup>requiring pharmacy services administrative organizations to  
47 disclose to the board the sources and formulas used by pharmacy

1 services administrative organizations to determine multiple source  
2 generic drug pricing and brand-name drug pricing, which sources and  
3 formulas are set forth in contracts between a pharmacy services  
4 administrative organization and a pharmacy benefits manager, or  
5 between a pharmacy services administrative organization and a  
6 contracted pharmacy, and reviewing those sources and formulas;

7 (3)<sup>2</sup> reviewing whether health benefits plans and pharmacy benefit  
8 managers <sup>2</sup>and pharmacy services administrative organizations<sup>2</sup> apply  
9 all manufacturer and pharmacy discounts, rebates, concessions, and  
10 fees at the point of sale or otherwise use the savings to reduce  
11 premiums to reduce the cost of pharmaceutical drug products for  
12 covered persons <sup>2</sup>, consistent with applicable State and federal laws<sup>2</sup> ;

13 <sup>2</sup>[(3) prohibiting pharmacy benefit managers from establishing  
14 high prices for payers and low reimbursement rates for pharmacies;  
15 and]<sup>2</sup>

16 (4) <sup>2</sup>taking appropriate measures to eliminate, restrict, or revise  
17 practices that are designed to increase or sustain disproportionate  
18 profit margins within discrete points in the pharmaceutical supply  
19 chain without promoting improvements in the quality of care provided  
20 to, or reducing the costs of pharmaceutical drug products for, covered  
21 individuals; and

22 (5)<sup>2</sup> reviewing the effects of manufacturer couponing on premium  
23 costs as well as copay accumulator adjustments and copayment  
24 maximizers for such coupons, and ensuring that the value of  
25 manufacturer payments are counted against the patient's deductible  
26 and limits on out-of-pocket payments.

27  
28 6. a. No later than 18 months after the effective date of this act,  
29 the Prescription Drug Affordability Board shall:

30 (1) collect and review publicly-available information regarding  
31 prescription drug product manufacturers, health benefits plan carriers,  
32 wholesale distributors, <sup>2</sup>[and]<sup>2</sup> pharmacy benefits managers <sup>2</sup>, and  
33 pharmacy services administrative organizations<sup>2</sup>; and

34 (2) identify states that require reporting on the cost of prescription  
35 drug products and initiate the process of entering into memoranda of  
36 understanding with those states to aid in the collection of transparency  
37 data for prescription drug products.

38 b. Based on the information and data collected pursuant to  
39 subsection a. of this section, the board shall, in consultation with the  
40 Prescription Drug Affordability Stakeholder Council:

41 (1) establish methods for collecting additional data necessary to  
42 carry out its duties under this act; and

43 (2) identify circumstances under which the cost of a prescription  
44 drug product may create or has created affordability challenges for the  
45 State health care system and for New Jersey patients.

1 c. The board shall use the information and data collected pursuant  
2 to subsection a. of this section to identify prescription drug products  
3 that are:

4 (1) brand name drugs or biological products that, as adjusted  
5 annually for inflation in accordance with the Consumer Price Index,  
6 have:

7 (a) a launch wholesale acquisition cost of \$30,000 or more per  
8 year or course of treatment; or

9 (b) a wholesale acquisition cost increase of \$3,000 or more in any  
10 12-month period, or over any course of treatment that is less than 12  
11 months in duration;

12 (2) ~~1~~ **interchangeable biological** biosimilar<sup>1</sup> products that have a  
13 launch wholesale acquisition cost that is not at least 15 percent lower  
14 than the referenced brand name biological product at the time the  
15 ~~1~~ **interchangeable** biosimilar<sup>1</sup> product is launched;

16 (3) generic drugs that, as adjusted annually for inflation in  
17 accordance with the Consumer Price Index, have a wholesale  
18 acquisition cost:

19 (a) of \$100 or more for:

20 (i) a 30-day supply lasting a patient for a period of 30 consecutive  
21 days, based on the recommended dosage approved for labeling by the  
22 United States Food and Drug Administration;

23 (ii) a supply lasting a patient for fewer than 30 days, based on the  
24 recommended dosage approved for labeling by the United States Food  
25 and Drug Administration; or

26 (iii) one unit of the drug, if the labeling approved by the United  
27 States Food and Drug Administration does not recommend a finite  
28 dosage; and

29 (b) that increased by 200 percent or more during the immediately  
30 preceding 12-month period, as determined by the difference between  
31 the resulting wholesale acquisition cost and the average of the  
32 wholesale acquisition cost reported over the immediately preceding 12  
33 months; and

34 (4) in consultation with the council, other prescription drug  
35 products that the board determines may create affordability issues for  
36 the State health care system and New Jersey patients.

37  
38 7. a. After identifying prescription drug products pursuant to  
39 subsection c. of section 6 of this act, the Prescription Drug  
40 Affordability Board shall determine whether to conduct a cost review  
41 for each identified prescription drug product by seeking input from the  
42 Prescription Drug Affordability Stakeholder Council about the product  
43 and considering the average cost share of the product.

44 b. (1) The information to conduct a cost review may include any  
45 document and research related to the manufacturer's selection of the  
46 introductory price or price increase of the prescription drug product,  
47 including life cycle management, net average price in the State, market

1 competition and context, projected revenue, and the estimated value or  
2 cost-effectiveness of the prescription drug product.

3 (2) To the extent that there is no publicly-available information to  
4 conduct a cost review pursuant to this section, the board shall request  
5 the information from the manufacturer of the prescription drug product  
6 and, as appropriate, a wholesale distributor, pharmacy benefits  
7 manager, pharmacy services administrative organization,<sup>2</sup> or health  
8 benefits plan carrier with relevant information on how the cost of the  
9 prescription drug product in the State was established. The failure of a  
10 manufacturer, wholesale distributor, pharmacy benefits manager,  
11 pharmacy services administrative organization,<sup>2</sup> or health benefits  
12 plan carrier to provide the board with information requested under this  
13 paragraph shall not affect the ability of the board to conduct a review  
14 pursuant to subsection c. of this section.

15 c. (1) If the board conducts a review of the cost of a prescription  
16 drug product, the review shall determine whether use of the  
17 prescription drug product in a manner that is fully consistent with the  
18 labeling approved by the United States Food and Drug Administration  
19 or standard medical practice has led or will lead to affordability  
20 challenges for the State health care system or high out-of-pocket costs  
21 for New Jersey patients.

22 (2) To the extent possible, in determining whether a prescription  
23 drug product identified pursuant to subsection c. of section 6 of this act  
24 has led or will lead to an affordability challenge, the board shall  
25 consider the following factors:

26 (a) the wholesale acquisition cost and any other relevant  
27 prescription drug cost index for the prescription drug product sold in  
28 the State;

29 (b) the average monetary price concession, discount, or rebate the  
30 manufacturer provides or is expected to provide to health benefits  
31 plans in the State, as reported by manufacturers and health benefits  
32 plans, expressed as a percent of the wholesale acquisition cost for the  
33 prescription drug product under review;

34 (c) the total amount of the price concession, discount, or rebate the  
35 manufacturer provides to each pharmacy benefits manager <sup>2</sup>and  
36 pharmacy services administrative organization<sup>2</sup> operating in the State  
37 for the prescription drug product under review, as reported by  
38 manufacturers <sup>2</sup>[and] <sup>2</sup> pharmacy benefits managers <sup>2</sup>, and pharmacy  
39 services administrative organizations<sup>2</sup>, expressed as a percent of the  
40 wholesale acquisition costs;

41 (d) the price at which therapeutic alternatives have been sold in the  
42 State;

43 (e) the average monetary concession, discount, or rebate the  
44 manufacturer provides or is expected to provide to health benefits plan  
45 payors <sup>2</sup>[and] <sup>2</sup> pharmacy benefits managers <sup>2</sup>, and pharmacy  
46 services administrative organizations<sup>2</sup> in the State for therapeutic  
47 alternatives;

1 (f) the costs to health benefits plans based on patient access  
2 consistent with United States Food and Drug Administration label  
3 indications;

4 (g) the effects on patient access resulting from the cost of the  
5 prescription drug product relative to insurance benefit design;

6 (h) the current or expected dollar value of the drug-specific patient  
7 access programs that are supported by the manufacturer;

8 (i) the relative financial effects on health, medical, and social  
9 service costs as can be quantified and compared to the baseline effects  
10 of existing therapeutic alternatives;

11 (j) the average patient copay or other cost-sharing for the  
12 prescription drug product in the State; and

13 (k) any additional factors established by the board by regulation.

14 (3) If the board is unable to determine, using the factors listed in  
15 paragraph (2) of this subsection, whether a prescription drug product  
16 will produce or has produced challenges to the affordability of the  
17 product to the State health care system, the board may consider the  
18 following factors:

19 (a) the manufacturer's research and development costs, as  
20 indicated on the manufacturer's federal tax filing or information filed  
21 with the federal Securities and Exchange Commission for the most  
22 recent tax year, in proportion to the manufacturer's sales in the State;

23 (b) the portion of direct-to-consumer marketing costs specific to  
24 the prescription drug product under review that are eligible for  
25 favorable federal tax treatment in the most recent tax year, multiplied  
26 by the ratio of total manufacturer in-State sales to total manufacturer  
27 sales in the United States for the product;

28 (c) gross and net manufacturer, pharmacy benefits manager,  
29 pharmacy services administrative organization,<sup>2</sup> and wholesale  
30 distributor revenues for the prescription drug product under review for  
31 the most recent tax year;

32 (d) any additional factors proposed by the manufacturer and  
33 appropriate health benefits plan carriers, wholesale distributors,  
34 and <sup>2</sup> pharmacy benefits managers <sup>2</sup>, and pharmacy services  
35 administrative organizations<sup>2</sup> that the board considers relevant; and

36 (e) any additional factors that the board establishes by regulation.

37 d. The board's process and criteria for identifying prescription  
38 drugs pursuant to subsection c. of section 6 of this act, and for  
39 determining whether to conduct a cost review of the prescription drug  
40 pursuant to this section, shall be established by the board by rules and  
41 regulations adopted pursuant to the "Administrative Procedure Act,"  
42 P.L.1968, c.410 (C.52:14B-1 et seq.), which rules and regulations shall  
43 constitute the comprehensive operating plan governing the board, and  
44 may include such other requirements as shall be necessary to  
45 implement the provisions of this act.

46  
47 8. a.<sup>2</sup> All information and data obtained by the Prescription  
48 Drug Affordability Board pursuant to this act shall be made publicly

1 available unless the board determines the information or data to be a  
2 trade secret or confidential or proprietary information. Information  
3 and data determined to be a trade secret or confidential or proprietary  
4 information shall not be a government record pursuant to P.L.1963,  
5 c.73 (C.47:1A-1 et seq.) or P.L.2001, c.404 (C.47:1A-5 et al.). Only  
6 board members and board staff shall have access to information and  
7 data the board determines to be a trade secret or confidential or  
8 proprietary information pursuant to this section.

9 <sup>2</sup>b. Any person who knowingly divulges, discloses, or uses records  
10 or files containing information or data determined to be a trade secret  
11 or confidential or proprietary information pursuant to subsection a. of  
12 this section shall be guilty of a crime of the fourth degree. Any person  
13 who knowingly examines records or files containing information or  
14 data determined to be a trade secret or confidential or proprietary  
15 information pursuant to subsection a. of this section for any reason  
16 other than a reason necessitated by the performance of official duties  
17 shall be guilty of a disorderly persons offense.

18 c. Whenever records and files are used in connection with the  
19 prosecution of a person for knowingly divulging, disclosing, or using  
20 records or files containing information or data determined to be a trade  
21 secret or confidential or proprietary information pursuant to subsection  
22 a. of this section, or for examining records and files containing  
23 information or data determined to be a trade secret or confidential or  
24 proprietary information pursuant to subsection a. of this section for  
25 any reason other than a reason necessitated by the performance of  
26 official duties, the defendant shall be given access to those records and  
27 files. The court shall review the records and files in camera, and that  
28 portion of the court record containing the records and files shall be  
29 sealed by the court.<sup>2</sup>

30  
31 9. a. If, pursuant to the study conducted under section 5 of this  
32 act, the Prescription Drug Affordability Board determines that it is in  
33 the best interests of the State to establish a process for establishing  
34 upper payment limits for, or allowing importation from other countries  
35 of, prescription drug products that it determines have led or will lead  
36 to an affordability challenge, the board, in conjunction with the  
37 Prescription Drug Affordability Stakeholder Council, shall draft a plan  
38 of action for implementing the recommended action. The board, in its  
39 discretion, may recommend both establishing upper payments limits  
40 and allowing importation from other countries for a given prescription  
41 drug product.

42 (1) If the board determines it is in the best interests of the State to  
43 establish upper payment limits, the board's plan of action shall include  
44 the criteria the board will use to establish upper payment limits, which  
45 criteria shall include consideration of:

46 (a) the cost of administering the prescription drug product;

47 (b) the cost of delivering the prescription drug product to  
48 consumers; and

1 (c) other relevant administrative costs related to the prescription  
2 drug product.

3 (2) If the board determines it is in the best interests of the State to  
4 establish a process for importing prescription drugs from other  
5 countries, the board's plan of action shall include the criteria the board  
6 will use to establish the process, which criteria shall include  
7 consideration of:

8 (a) the administrative costs of establishing a system to import  
9 prescription drugs;

10 (b) whether to allow direct importation by New Jersey consumers  
11 or to limit importation to pharmacies or to authorized State entities;

12 (c) the costs of developing mechanisms to ensure the safety and  
13 security of a prescription drug importation system, including  
14 mechanisms to verify the quality, source, and integrity of imported  
15 prescription drug products;

16 (d) whether the added costs of implementing a prescription drug  
17 product importation system will negate the anticipated savings of  
18 allowing prescription drug importation; and

19 (e) other relevant administrative costs.

20 b. The process for establishing upper payment limits shall:

21 (1) prohibit the application of an upper payment limit for a  
22 prescription drug that is included in the prescription drug shortage list  
23 promulgated by the United States Food and Drug Administration; and

24 (2) require the board to monitor the availability of any prescription  
25 drug product for which it establishes an upper payment limit and, if  
26 there becomes a shortage of the prescription drug product in the State,  
27 reconsider or suspend the upper payment limit.

28 c. No later than 24 months after the effective date of this act, the  
29 board shall submit a plan of action drafted pursuant to subsection a. of  
30 this section to the Legislature for approval. The plan shall be deemed  
31 rejected unless legislation implementing the plan is adopted within 90  
32 days after the date the plan is submitted to Legislature for approval.  
33 Legislation approving a plan submitted by the board may include  
34 modifications to the plan as submitted for approval, and in no case  
35 shall a plan be deemed rejected solely because the legislation  
36 implementing the plan makes technical or substantive changes to the  
37 plan submitted by the board. The board shall have no authority to  
38 establish upper payment limits for prescription drug products pursuant  
39 to section <sup>2</sup>~~11~~ 10<sup>2</sup> of this act, or authorize the importation of  
40 prescription drug products from other countries, unless the board's  
41 plan of action has been approved through the adoption of  
42 implementing legislation as provided in this subsection.

43

44 10. a. Subject to the requirements of subsection c. of section  
45 <sup>2</sup>~~10~~ 9<sup>2</sup> of this act, commencing 30 months after the effective date of  
46 this act, the Prescription Drug Affordability Board may establish upper  
47 payment limits for prescription drug products that are:

- 1 (1) purchased or paid for by a unit of State or local government or  
2 an organization on behalf of a unit of State or local government;
- 3 (2) paid for through a health benefit plan on behalf of a unit of  
4 State or local government; or
- 5 (3) purchased or paid for by the State Medicaid or NJ FamilyCare  
6 programs.
- 7 b. The upper payment limits established pursuant to subsection a.  
8 of this section shall be established for prescription drug products that  
9 have led or will lead to an affordability challenge, and shall be  
10 established in accordance with the criteria established by the board by  
11 regulation.
- 12 c. The board shall monitor the availability of any prescription  
13 drug for which it establishes an upper payment limit and, if there  
14 becomes a shortage of the prescription drug product in the State,  
15 determine whether to suspend or alter the upper payment limit for that  
16 prescription drug product.
- 17 d. An upper payment limit established pursuant to subsection a. of  
18 this section shall not apply to any prescription drug product included  
19 in the prescription drug shortage list maintained by the United States  
20 Food and Drug Administration.
- 21
- 22 11. a. A person aggrieved by a decision or order of the  
23 Prescription Drug Affordability Board may seek a rehearing of the  
24 decision or order to the board within 30 days after the issuance of  
25 the decision or order, or the decision or order shall become final.
- 26 b. The board shall conduct a new hearing on a decision or order  
27 for which a rehearing is requested pursuant to subsection a. of this  
28 section, and make a final decision or issue a final order no later than  
29 60 days after the rehearing is requested.
- 30 c. A final decision or order of the board may be appealed to the  
31 Appellate Division of the Superior Court no later than 45 days after  
32 the decision or order becomes final. The court shall have the power  
33 to grant such relief as it deems just and proper, and to make or enter  
34 an order enforcing, modifying, or setting aside, in whole or in part,  
35 the board's decision or order. The findings of fact on which a  
36 decision or order of the board is based shall be conclusive if  
37 supported by substantial evidence on the record considered as a  
38 whole.
- 39 d. Filing an appeal to the Appellate Division of the Superior  
40 Court pursuant to subsection c. of this section shall not stay  
41 enforcement of a final decision or order of the board unless a stay is  
42 issued by the court upon application in accordance with the Rules of  
43 Court or by the board upon terms and conditions as it deems proper.
- 44
- 45 12. The Prescription Drug Affordability Board shall submit the  
46 following reports to the Governor and, pursuant to section 2 of  
47 P.L.1991, c.164 (C.52:14-19.1), to the Legislature:

- 1 a. No later than March 31 of each year, the board shall submit  
2 a report concerning:
- 3 (1) price trends for prescription drug products;  
4 (2) the number of prescription drug products that were subject to  
5 board review and the results of the review; and  
6 (3) recommendations for legislation or other action as may be  
7 necessary to make prescription drug products more affordable in the  
8 State.
- 9 b. No later than 18 months after the effective date of this act,  
10 the board shall submit a report concerning the board's  
11 recommendations with regard to each policy option reviewed under  
12 the study completed pursuant to subsection a. of section 5 of this act  
13 and its recommendations for legislative, executive, and  
14 administrative action as may be appropriate.
- 15 c. No later than 36 months after the effective date of this act,  
16 the board shall submit a report concerning:
- 17 (1) the legality, obstacles, and benefits of establishing upper  
18 payment limits on all purchases and payor reimbursements of  
19 prescription drug products in the State;  
20 (2) recommendations as to whether the authority of the board  
21 should be expanded legislatively to allow the board to establish  
22 upper payment limits on all purchases and payor reimbursements of  
23 prescription drug products in the State; and  
24 (3) recommendations concerning the importation of prescription  
25 drug products from other countries, including recommendations for  
26 legislation as may be necessary to authorize the practice and ensure  
27 the safety, security, quality, and integrity of imported prescription  
28 drug products.  
29
- 30 13. a. There is appropriated from the General Fund to the  
31 Prescription Drug Affordability Board established pursuant to this act  
32 the sum of \$1,000,000 <sup>2</sup>**[million]**<sup>2</sup> for the purposes of effectuating the  
33 provisions of this act.
- 34 b. The Legislature shall annually appropriate from the General  
35 Fund to the Prescription Drug Affordability Board established  
36 pursuant to this act the sum of \$1,000,000 for the purposes of  
37 effectuating the provisions of this act.  
38
- 39 14. This act shall take effect immediately.
