STATEMENT

26

27 This bill authorizes limited breweries, commonly referred to as
28 microbreweries, to hold certain on-site and off-site events open to
29 the general public.

30 Under current law, the holder of a limited brewery license is
31 entitled to brew up to 300,000 barrels of 31 fluid gallons capacity
32 per year of malt alcoholic beverages to sell and distribute to
33 wholesalers and retailers. These licensees are authorized to sell
34 their product at retail to consumers on the licensed premises for on-
35 site consumption, but only in connection with a tour of the brewery.

36 This bill specifically authorizes a limited brewery licensee to
37 hold on-site special events open to the general public on the
38 licensed premises of the brewery, as well as off-site special events
39 open to the general public. Under the bill, on-site special events
40 include trivia and quizzes; paint and sip craft making; live music
41 and open microphone; live televised sporting events; educational
42 events and seminars; movie or theatrical events; animal adoption
43 events to the extent permitted by local ordinance; yoga and similar
44 classes; and private parties, such as birthdays, weddings,
45 anniversaries, civic and political functions, professional and trade
46 association events, and class reunion and alumni events. Off-site
47 special events under the bill include beer, music, and arts festivals;
48 civic events; athletic events, such as 5K races, mud runs, and bike

1 races; limited brewery anniversary celebrations; and holiday
2 celebrations.

3 The licensee is required to notify the director at least 10 days in
4 advance of the date of an on-site special event and to notify the
5 director and municipality in which an off-site special event is taking
6 place at least 21 days in advance of the date of the event. The
7 notification is to include: the name and address of the limited
8 brewery; the date, time, and description of the event; the estimated
9 number of attendees; whether there will be a cover charge; the event
10 security plan to prevent consumption of alcoholic beverages by
11 persons under the legal age to consume alcoholic beverages; and the
12 name, address, and other contact information for any outside vendor
13 providing entertainment. A cover charge imposed by the licensee to
14 attend the event may not include any free or discounted alcoholic
15 beverages and an attendee is not to be required to purchase an
16 alcoholic beverage as a condition of entry. If an outside vendor
17 charges a fee, the bill directs that the attendee pay a fee to attend
18 the event to the licensee and the licensee is to pay the fee for the
19 services of the outside vendor.

20 Also under the bill, the requirement that a consumer take a tour
21 of the brewery as a prerequisite to consuming malt alcoholic
22 beverages on the premises can be satisfied by taking either an on-
23 site tour or a virtual tour of the brewery. The bill defines an “on-
24 site tour” as “any form of engagement with brewery visitors on the
25 licensed premises that communicates information about the brewery
26 and the brewing process and shall apply to an initial and subsequent
27 visit to a limited brewery. A “virtual tour” is defined as “the
28 simulation of an existing location through sequential videos or still
29 images, which may be enhanced with text, images, audio, video, or
30 animation, to recreate a realistic representation of reality.”

31 Finally, the bill clarifies that an on-site or virtual tour is not
32 required for the licensee to sell its product at retail for off-premises
33 consumption and that the product may be sold in a keg, sixtel, case,
34 six-pack, growler, or crowler.
