40 10. Section 5 of P.L.1983, c.172 (C.4:19A-4) is amended to read
41 as follows:

42 5. a. Any licensed veterinarian of this State may participate in
43 the program upon filing with the commissioner an application
44 therefor, on forms prescribed by the commissioner, which
45 application shall supply, in addition to any other information
46 requested by the commissioner, an animal sterilization fee schedule
47 listing the fees charged for animal sterilization in the normal course
48 of business. These fees may vary with the animal's weight, sex and

1 species. The commissioner may, however, disqualify from
 2 participation in the program any veterinarian whose fees are
 3 deemed unreasonable.

4 b. The commissioner shall, to the extent that moneys are
 5 available therefor from the "Animal Population Control Fund,"

28 e. A community cat spayed or neutered through the program
 29 shall also be ear-tipped and vaccinated against rabies by the State
 30 licensed veterinarian performing the spaying or neutering.

31 (cf: P.L.1983, c.172, s.5)

32

33 11. Section 6 of P.L.1983, c.172 (C.4:19A-5) is amended to read
 34 as follows:

35 6. a. The commissioner may:

36 (1) solicit and accept funds from any public or private source to
 37 help carry out the provisions of P.L.1983, c.172 (C.4:19A-1 et al.);
 38 and

39 (2) contract with a nonprofit organization that is exempt from
 40 federal taxation pursuant to Section 501(c)(3) of the federal
 41 "Internal Revenue Code," 26 U.S.C. s.501(c)(3), for the

 43 established pursuant to section 2 of P.L.1983, c.172 (C.4:19A-1).

44 b. All fees collected pursuant to section 1 of P.L.1983, c.172
 45 (C.4:19-15.3b) and sections 3 and 4 of P.L.1983, c.172 (C.43:19A-2
 46 and C.4:19A-3), all moneys from the application and renewal fees
 47 collected for animal welfare license plates issued pursuant to
 48 P.L.1993, c.184 (C.39:3-27.55 et seq.), and all moneys received

1 pursuant to subsection a. of this section, shall be placed in a special
2 fund to be known as the "Animal Population Control Fund," which
3 shall be separate from the General State Fund. All moneys in the
4 "Animal Population Control Fund" shall be used by the
5 commissioner exclusively for the implementation and promotion of
6 the program and for the costs associated with the administration of
7 P.L.1983, c.172 (C.4:19A-1 et al.), except as provided in subsection
8 c. of this section.

9 c. Moneys deposited into the fund generated by the collection
10 of application fees for animal welfare license plates issued pursuant
11 to P.L.1993, c.184 (C.39:3-27.55 et seq.) shall be utilized by the
12 commissioner to reimburse the Division of Motor Vehicles for all
13 costs incurred by the division, as certified by the director, of
14 producing, issuing, renewing, and publicizing the availability of
15 animal welfare license plates.

16 No moneys deposited in the "Animal Population Control Fund,"
17 established in subsection b. of this section, except for the moneys
18 generated by the collection of application fees for animal welfare
19 license plates issued pursuant to P.L.1993, c.184 (C.39:3-
20 27.55 et seq.), shall be utilized by the Department of Health or the
21 Division of Motor Vehicles for any expenses, administrative or
22 otherwise, related to the animal welfare license plates, or the
23 advertising and publicizing thereof, including, but not limited to
24 notices, posters and signs to be circulated or posted by the
25 department or the division.

26 d. The director shall annually certify to the commissioner the
27 average cost per license plate incurred in the immediately preceding
28 year by the division in producing, issuing, renewing, and
29 publicizing the availability of animal welfare license plates. The
30 annual certification of the average cost per license plate shall be
31 approved by the Joint Budget Oversight Committee, or its
32 successor.

33 e. In the event that the average cost per license plate as
34 certified by the director and approved by the Joint Budget Oversight
35 Committee, or its successor, is greater than the \$50 application fee
36 established in subsection b. of section 1 of P.L.1993, c.184 (C.39:3-
37 27.55) in two consecutive fiscal years, the director may discontinue
38 the issuance of animal welfare license plates.

39 (cf: P.L.1995, c.145, s.3)

40
41 12. Section 3 of P.L.2010, c.89 (C.45:16-9.4a) is amended to
42 read as follows:

43 3. a. The State Board of Veterinary Medical Examiners shall
44 establish, through the promulgation of regulations, any specific
45 courses or topics which are to be required for continuing veterinary
46 education, and designate which are the core requirements for
47 continuing veterinary education, including the number of required
48 hours, subject matter and content of courses of study.

1 For purposes of this section, “core requirements” means the
2 continuing veterinary education determined by the board to be
3 necessary to maintain currency in professional knowledge and skills
4 in order to deliver competent veterinary care.

5 b. The board may offset up to 10 percent of the requisite
6 number of hours of continuing veterinary education required
7 pursuant to section 4 of P.L.1952, c.198 (C.45:16-9.4) by the
8 number of volunteer veterinary services rendered by licensees, at a
9 rate of one half of one hour of continuing veterinary education for
10 each hour of volunteer veterinary services, provided that a
11 veterinarian shall be required to complete at least the core
12 requirements established pursuant to subsection a. of this section. In
13 addition, the board may adopt a formula providing a minimum
14 number of spaying or neutering procedures that shall be deemed the
15 equivalent of one hour of continuing veterinary education.

16 The board may reduce, in part, an application by a licensee to
17 offset credits of continuing veterinary education pursuant to this
18 subsection if the board finds, in its discretion, that the applicant
19 requires continuing veterinary education in order to maintain or
20 restore professional competence, or may deny all applications if the
21 board finds that continuing veterinary education above the core
22 requirements is necessary because of developments in science or
23 technology.

24 The board may also, in its discretion and for good cause, notify a
25 veterinarian that the veterinarian is ineligible to offset credits of
26 continuing veterinary education pursuant to this subsection for any
27 other reason established by regulation by the board.

28 c. As used in this section [, “volunteer”]:

29 “Community cat” means a cat, whether or not fearful of, or
30 socialized to, humans, that has no known owner, lives and freely
31 roams in the outdoors, and that may or may not be cared for by a
32 person, including, but not limited to, by a person who provides
33 food, water, veterinary care, or indoor or outdoor protection from
34 the weather.

35 “Volunteer veterinary services” means veterinary care provided
36 without charge to:

37 (1) a person eligible for, and participating in, at least one of the
38 programs enumerated in section 3 of P.L.1983, c.172 (C.4:19A-2);
39 **[or]**

40 (2) a licensed shelter [or] , pound [licensed by the Department
41 of Health and Senior Services or a municipally approved managed
42 cat colony, provided that the municipality or nonprofit group or
43 organization managing the cat colony has attested in writing to the
44 veterinarian that the cat to be spayed or neutered or otherwise
45 treated by the veterinarian is feral or stray with no known owner.] ,
46 or kennel operating as a shelter or pound; or

47 (3) a municipality, county, or nonprofit group or organization
48 that is operating a program of humanely trapping community cats,

3 where the community cats were trapped.

4 A person or entity described in paragraph (1), (2), or (3) of this
5 subsection providing or receiving veterinary care without charge for
6 a community cat shall attest in writing that the cat has no known
7 owner.

8 (cf: P.L.2010, c.89, s.3)

9
10 13. Sections 3 and 4 of P.L.2011, c.142 (C.4:19-15.30 and
11 C.4:19-15.31) are repealed.

12
13 14. This act shall take effect immediately.

15
16 STATEMENT

17
18 The bill, designated as the “Compassion for Community Cats
19 Law,” provides for the spaying and neutering of stray or feral cats.

20 In particular, the bill provides, with limited exceptions, that:

21 (1) no cat may be released for adoption from an animal rescue
22 organization facility, shelter, pound, or kennel operating as a shelter or
23 pound unless the cat has been spayed or neutered by a licensed
24 veterinarian; and

25 (2) any community cat trapped and impounded at a shelter, pound,
26 or kennel operating as a shelter or pound, or trapped and taken to an
27 animal rescue organization facility, must be spayed or neutered, ear-
28 tipped, and vaccinated against rabies before being returned to the
29 location where the community cat was trapped or given to a person
30 assuming ownership of the community cat.

31 The spaying and neutering requirements do not apply to a cat or a
32 community cat that:

33 (1) is less than two months old;

34 (2) a licensed veterinarian determines cannot be spayed or
35 neutered for other health reasons affecting the cat;

36 (3) is placed in a foster home or transferred to another shelter,
37 pound, kennel operating as a shelter or pound, or animal rescue
38 organization facility by a shelter, pound, or kennel operating as a
39 shelter or pound; or

40 (4) is to be euthanized in accordance with the provisions of section
41 16 of P.L.1941, c.151 (C.4:19-15.16) and R.S.4:22-19, which provide
42 for humanely euthanizing animals after a shelter, pound, or kennel
43 operating as a shelter or pound has offered the animal for adoption for
44 at least seven days.

45 The bill authorizes an animal rescue organization facility, shelter,
46 pound, or kennel operating as a shelter or pound to charge the cost of
47 spaying or neutering the cat to the person assuming ownership of the
48 cat.

1 The bill also amends various sections of existing law to allow for
2 the implementation of the new spaying and neutering requirements
3 established by the bill and other provisions of the bill. The bill
4 authorizes the Department of Health (DOH) to adopt regulations
5 necessary to implement grant programs and fund the spaying and
6 neutering requirements established in the bill.

7 The bill establishes the "Compassion for Community Cats Fund"
8 in the DOH to provide grants to municipalities and counties to
9 establish programs to humanely trap community cats, and sterilize,
10 ear-tip, and vaccinate them against rabies, and return each feral cat to
11 the location where the cat was trapped. The "Compassion for
12 Community Cats Fund" is to be credited with the monies collected for
13 violations of the bill, the surcharge on dog licenses imposed by section
14 1 of P.L.1983, c.181 (C.4:19-15.3c), any moneys appropriated by the
15 Legislature, and any return on investment of moneys deposited in the
16 fund.

17 Finally, the bill repeals sections 2 and 3 of P.L.2011, c.142
18 (C.4:19-15.30 and 4:19-15.31), known as the "Pet Sterilization Pilot
19 Program."

20 The committee amendments to the bill:

21 (1) correct cross-references and citations in the bill;

22 (2) correct typographical errors in the bill's reproduction of
23 existing statutory text; and

24 (3) delete a statutory reference to a program for aid to families with
25 dependent children that was replaced by the Work First New Jersey
26 program pursuant to P.L.1997, c.38.
