STATEMENT

8

9 This bill revises the “Franchise Practices Act” (the “Act”) to
10 increase protections for franchisees. Specifically, the bill removes a
11 provision from the act that limits the act’s application to a franchise
12 where gross sales of products or services between the franchisor
13 and franchisee covered by the franchise exceed \$35,000 in the 12
14 months preceding a suit instituted under the act. Therefore, under
15 the bill, the act would now apply to more franchise arrangements
16 including “business format” or “package” franchises where the
17 franchisor provides the franchisee with the business system, trade
18 names, trademarks and advertising, but no sales occur between the
19 franchisor and franchisee.

20 Additionally, the bill provides certain rights and protections to
21 franchisees that terminate or do not renew a franchise. Specifically,
22 the bill provides that it is a violation of the act for any franchisor to
23 restrict or prohibit a franchisee from terminating, cancelling, or not
24 renewing a franchise provided the franchisee provides the
25 franchisor with at least 60 days notice of such termination,
26 cancellation, or failure to renew. In addition, the bill provides that it
27 is a violation of the act for a franchisor, after termination,
28 cancellation or non-renewal of a franchise, to:

29 (1) require a franchisee to pay excessive damages;

30 (2) require the franchisee to personally guarantee the debts of
31 the franchise to the franchisor; and

32 (3) impose any employment restriction on the owner or
33 employees of the franchisee that exceeds six months duration and
34 restricts employment outside the county in which the franchise is
35 located.

36 The bill also places a restriction on the ability of a franchisor to
37 impose unreasonable facilities, financial, operating or other
38 requirements upon a franchisee. A franchisor is also prohibited
39 from requiring a franchisee to relocate his franchise or to implement
40 any facility or operational modification more than once every five
41 years, unless the franchisor can demonstrate that the franchisee will
42 be able, in the ordinary course of business as conducted by such
43 franchisee, to earn a reasonable return on the total investment in
44 such facility or from such operational modification, and the full
45 return of the total investment in such facility or from such
46 operational modifications within 10 years.

1 In some cases franchisors create relationships with third-party
2 vendors that benefit the franchisor at the expense of the franchisee.

3 The bill addresses this by restricting a franchisor from:

4 (1) receiving a commission or any other payment from any
5 vendor that sells goods or services to franchisees of the franchisor;
6 and

7 (2) requiring any franchisee to purchase goods or services from
8 a vendor if the franchisor has not taken reasonable steps to secure
9 the best possible price for the goods and services from the vendor.

10 The bill also prohibits a franchisor from requiring a franchisee,
11 as a condition for the approval of a renewal or transfer of a
12 franchise, to assent to a general release from liability for the
13 franchisor.

14 In addition, the bill provides that if the franchise agreement
15 provides that the franchisee has an exclusive territory, the
16 franchisor is prohibited from competing with the franchisee in the
17 exclusive territory or granting competitive franchises in the
18 exclusive territory area previously granted to another franchisee.

19 With respect to court claims regarding disputes arising with
20 respect to the franchise, the bill prohibits a franchisor from
21 requiring a franchisee to agree to a term or condition in a franchise,
22 or in any lease or agreement ancillary or collateral to a franchise,
23 which specifies the court in which a claim may be brought or
24 otherwise prohibits a franchisee from bringing an action in a
25 particular court otherwise available under the law of this State.

26 Finally, the bill places a fiduciary duty on a franchisor to their
27 franchisees concerning any funds collected by the franchisor from
28 the franchisee to be used for advertising. The bill also requires
29 franchisors to provide a report to the franchisee annually detailing
30 how the advertising funds were used.
