

CHAPTER 152

AN ACT concerning open space, farmland, and historic preservation, establishing the Garden State Preservation Trust, supplementing Title 13 of the Revised Statutes, and amending various parts of the statutory law.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey:*

C.13:8C-1 Short title.

1. Sections 1 through 42 of this act shall be known, and may be cited, as the "Garden State Preservation Trust Act."

C.13:8C-2 Findings, declarations relative to open space, farmland, and historic preservation.

2. The Legislature finds and declares that enhancing the quality of life of the citizens of New Jersey is a paramount policy of the State; that the acquisition and preservation of open space, farmland, and historic properties in New Jersey protects and enhances the character and beauty of the State and provides its citizens with greater opportunities for recreation, relaxation, and education; that the lands and resources now dedicated to these purposes will not be adequate to meet the needs of an expanding population in years to come; that the open space and farmland that is available and appropriate for these purposes will gradually disappear as the costs of preserving them correspondingly increase; and that it is necessary and desirable to provide funding for the development of parks and other open space for recreation and conservation purposes.

The Legislature further finds and declares that agriculture plays an integral role in the prosperity and well-being of the State as well as providing a fresh and abundant supply of food for its citizens; that much of the farmland in the State faces an imminent threat of permanent conversion to non-farm uses; and that the retention and development of an economically viable agricultural industry is of high public priority.

The Legislature further finds and declares that there is an urgent need to preserve the State's historic heritage to enable present and future generations to experience, understand, and enjoy the landmarks of New Jersey's role in the birth and development of this nation; that the restoration and preservation of properties of historic character and importance in the State is central to meeting this need; and that a significant number of these historic properties are located in urban centers, where their restoration and preservation will advance urban revitalization efforts of the State and local governments.

The Legislature further finds and declares that there is growing public recognition that the quality of life, economic prosperity, and environmental quality in New Jersey are served by the protection and timely preservation of open space and farmland and better management of the lands, resources, historic properties, and recreational facilities that are already under public ownership or protection; that the preservation of the existing diversity of animal and plant species is essential to sustaining both the environment and the economy of the Garden State, and the conservation of adequate habitat for endangered, threatened, and other rare species is necessary to preserve this biodiversity; that there is a need to establish a program to serve as the successor to the programs established by the "Green Acres, Farmland and Historic Preservation, and Blue Acres Bond Act of 1995," P.L.1995, c.204, nine previous similar bond acts enacted in 1961, 1971, 1974, 1978, 1981, 1983, 1987, 1989, and 1992, and various implementing laws; and that any such successor program should support implementation of Statewide policies, goals, and strategies concerned with and emphasizing the importance of preserving open space, sensitive environmental areas, critical wildlife habitat, farmland, and historic resources.

The Legislature further finds and declares that the citizens of the State have indicated their very strong support for open space, farmland, and historic preservation efforts not only in the past approval of State Green Acres bond acts and numerous county and municipal dedicated funding sources for those purposes, but most recently in 1998 with the approval of an amendment to the New Jersey Constitution that provides for a stable and dedicated source of funding for those purposes for the next decade and beyond.

The Legislature therefore determines that it is in the public interest to preserve as much open space and farmland, and as many historic properties, as possible within the means provided by the 1998 constitutional amendment; that, in recognition of the recommendations of the Governor's Council on New Jersey Outdoors, it is a worthy goal to preserve one million more

acres of open space and farmland in the Garden State in the next decade to protect the quality of life for New Jersey residents; and that, to accomplish that goal, it is also in the public interest to create the Garden State Preservation Trust and to enable it to raise revenue for those purposes, and to delegate to it such other duties and responsibilities as shall be necessary to further the purposes of the constitutional amendment and to advance the policies and achieve the goals set forth in this preamble.

For the purpose of complying with the provisions of Article V, Section IV, paragraph 1 of the New Jersey Constitution, the trust is hereby allocated within the Department of the Treasury, but notwithstanding that allocation, the trust shall be independent of any supervision or control by that department or by any board or officer thereof. The trust is hereby constituted as an instrumentality of the State, exercising public and essential governmental functions, no part of whose revenues shall accrue to the benefit of any individual, and the exercise by the trust of the powers conferred by this act shall be deemed and held to be an essential governmental function of the State.

b. The trust shall consist of nine voting members as follows: the Commissioner of Environmental Protection, the Secretary of Agriculture, the Secretary of State, and the State Treasurer, who shall be members ex officio; and five public members, one of whom shall be appointed by the Governor, two of whom shall be appointed by the President of the Senate and of those two so appointed no more than one shall be from the same political party, and two of whom shall be appointed by the Speaker of the General Assembly and of those two so appointed no more than one shall be from the same political party. The public member appointed by the Governor shall serve a term of five years. Each public member appointed by the President of the Senate shall serve a term of five years, except of those first appointed, one shall serve a term of three years and the other a term of two years. Each public member appointed by the Speaker of the General Assembly shall serve a term of five years, except of those first appointed, one shall serve a term of three years and the other a term of two years.

No person holding elective public office shall be eligible to be a member of the trust.

c. Each public member shall hold office for the term of the member's appointment and until the member's successor shall have been appointed and qualified. A public member shall be

eligible for reappointment. Any vacancy in a public membership occurring other than by expiration of term shall be filled in the same manner as the original appointment but for the unexpired term only.

d. Any public member may be removed from office by the appointing authority, for cause, after a public hearing, and may be suspended by the appointing authority pending the completion of the hearing. All members before entering upon their duties shall take and subscribe an oath to perform the duties of their office faithfully, impartially and justly to the best of their ability. A record of each oath shall be filed in the Office of the Secretary of State.

e. The first chairperson of the trust shall be the public member first appointed by the Governor. At the first meeting of the trust held in each subsequent year, the members shall elect one of the public members to serve as chairperson of the trust in a manner that ensures that the chair rotates annually among at least one of the appointees of the President of the Senate, at least one of the appointees of the Speaker of the General Assembly, and the appointee of the Governor.

f. Action may be taken and motions and resolutions adopted by the trust at any meeting thereof by the affirmative vote of a majority of the full membership of the trust. Notwithstanding the provisions of any other law, no member shall be deemed to have forfeited nor shall the member forfeit the member's office or employment or any benefits or emoluments thereof by reason of the member's acceptance of the office of ex officio member of the trust or the member's services therein.

h. Each ex officio member may designate an employee of the member's department or agency to represent the member at meetings of the trust. All designees may lawfully vote and otherwise act on behalf of the member for whom they constitute the designee. The designation shall be in writing delivered to the trust and shall continue in effect until revoked or amended in writing delivered to the trust.

No action taken at the meeting by the trust shall have force or effect until 15 days after the copy of the minutes shall have been so delivered, unless during this 15-day period the Governor shall approve in writing the minutes or any part thereof, in which case the action shall become effective upon approval. If, within that 15-day period, the Governor returns a copy of the minutes with the Governor's veto of any action taken by the trust or any member thereof at the meeting, the action shall be null and void and of no effect. Notwithstanding the foregoing, if the last day of the 15-day period shall be a Saturday, Sunday or legal holiday, then the 15-day period shall be deemed extended to the next following business day. the holders thereof.

j. Upon the decision by the trust to issue refunding bonds pursuant to this section, and prior to the sale of those bonds, the trust shall transmit to the Joint Budget Oversight Committee, or its successor, a report that a decision has been made, reciting the basis on which the decision was

made, including an estimate of the debt service savings to be achieved and the calculations upon which the trust relied when making the decision to issue refunding bonds. The report shall also disclose the intent of the trust to issue and sell the refunding bonds at public or private sale and the reasons therefor.

k. The Joint Budget Oversight Committee, or its successor, shall have authority to approve or disapprove the sale of refunding bonds as included in each report submitted in accordance with subsection j. of this section. The Joint Budget Oversight Committee, or its successor, shall approve or disapprove the sale of refunding bonds within 10 business days after physical receipt of the report. The Joint Budget Oversight Committee, or its successor, shall notify the trust in writing of the approval or disapproval as expeditiously as possible.

l. No refunding bonds shall be issued unless the report has been submitted to and approved by the Joint Budget Oversight Committee, or its successor, as set forth in subsection k. of this section.

n. The Joint Budget Oversight Committee, or its successor, shall, however, review all information and reports submitted in accordance with this section and may, on its own initiative, make observations and recommendations to the trust or to the Legislature, or both, as it deems appropriate.

C.13:8C-8 Powers of trust to secure payment of bonds, notes, other obligations.

Notwithstanding the provisions of this paragraph to the contrary, any appropriation of moneys from the fund to pay the cost of acquisition of a fee simple title to farmland shall not be required to identify the particular project or identify its location by county or municipality, and the expenditure of those moneys shall not require the approval of the Joint Budget Oversight Committee or its successor.

(3) Any transfer of moneys appropriated from the Garden State Farmland Preservation Trust Fund, or change in project sponsor, site, or type that has received an appropriation from the fund, shall require the approval of the Joint Budget Oversight Committee or its successor but shall not require the approval of the Garden State Preservation Trust.

c. (1) At least once each State fiscal year, or at such other interval as the New Jersey Historic Trust in consultation with the Garden State Preservation Trust deems appropriate, the New Jersey Historic Trust shall submit to the Garden State Preservation Trust a list of projects that the New Jersey Historic Trust recommends to receive funding from the Garden State Historic Preservation Trust Fund, based upon a priority system, ranking criteria, and funding policies established by the New Jersey Historic Trust pursuant to this act and P.L.1967, c.124 (C.13:1B-15.111 et al.), and any rules or regulations adopted pursuant thereto. (2) Any act appropriating moneys from the Garden State Historic Preservation Trust Fund shall identify the particular project or projects to be funded by those moneys, and any expenditure for a project for which the location is not identified by county and municipality in the appropriation shall require the approval of the Joint Budget Oversight Committee or its successor.

(3) Any transfer of moneys appropriated from the Garden State Historic Preservation Trust Fund, or change in project sponsor, site, or type that has received an appropriation from the fund, shall require the approval of the Joint Budget Oversight Committee or its successor but shall not require the approval of the Garden State Preservation Trust.

f. Projects involving the joint effort of more than one level of government or qualifying tax exempt nonprofit organization, or the joint effort of the department, the committee, and the New Jersey Historic Trust, or any combination thereof, shall be encouraged.

g. For the purposes of efficiency and convenience, nothing in this section shall prohibit the Garden State Preservation Trust from combining the project lists, in whole or in part, of the department, committee, and New Jersey Historic Trust into one proposed appropriation bill or bills to be submitted to the Governor and Legislature for consideration and enactment into law as otherwise prescribed pursuant to this section.

h. The total amount appropriated for proposed projects pursuant to subsections a. and b. of this section in any State fiscal year shall not exceed \$200,000,000.

C.13:8C-26 Allocation of funds appropriated; conditions.

26. a. Moneys appropriated from the Garden State Green Acres Preservation Trust Fund to the Department of Environmental Protection shall be used by the department to:

(1) Pay the cost of acquisition and development of lands by the State for recreation and conservation purposes;

(2) Provide grants and loans to assist local government units to pay the cost of acquisition and development of lands for recreation and conservation purposes; and

(3) Provide grants to assist qualifying tax exempt nonprofit organizations to pay the cost of acquisition and development of lands for recreation and conservation purposes.

b. The expenditure and allocation of constitutionally dedicated moneys for recreation and conservation purposes shall reflect the geographic diversity of the State to the maximum extent practicable and feasible.

c. (1) Notwithstanding the provisions of section 5 of P.L.1985, c.310 (C.13:18A-34) or this act, or any rule or regulation adopted pursuant thereto, to the contrary, the value of a pinelands development credit, allocated to a parcel pursuant to P.L.1979, c.111 (C.13:18A-1 et seq.) and the pinelands comprehensive management plan adopted pursuant thereto, shall be made utilizing a value to be determined by either appraisal, regional averaging based upon appraisal data, or a formula supported by appraisal data. The appraisal and appraisal data shall consider as appropriate: land values in the pinelands regional growth areas; land values in counties, municipalities, and other areas reasonably contiguous to, but outside of, the pinelands area; and other relevant factors as may be necessary to maintain the environmental, ecological, and agricultural qualities of the pinelands area.

(2) No pinelands development credit allocated to a parcel of land pursuant to P.L.1979, c.111 (C.13:18A-1 et seq.) and the pinelands comprehensive management plan adopted pursuant thereto that is acquired or obtained in connection with the acquisition of the parcel for recreation and conservation purposes by the State, a local government unit, or a qualifying tax exempt nonprofit organization using constitutionally dedicated moneys in whole or in part may be conveyed in any manner. All such pinelands development credits shall be retired permanently.

d. (1) For State fiscal years 2000 through 2004 only, when the department, a local government unit, or a qualifying tax exempt nonprofit organization seeks to acquire lands for recreation and conservation purposes using constitutionally dedicated moneys in whole or in part, it shall conduct or cause to be conducted an appraisal or appraisals of the value of the lands that shall be made using the land use zoning of the lands (a) in effect at the time of proposed

acquisition, and (b) in effect on November 3, 1998 as if that land use zoning is still in effect at the time of proposed acquisition. The higher of those two values shall be utilized by the department, a local government unit, or a qualifying tax exempt nonprofit organization as the basis for negotiation with the landowner with respect to the acquisition price for the lands. The landowner shall be provided with both values determined pursuant to this paragraph. A landowner may waive any of the requirements of this paragraph and may agree to sell the lands for less than the values determined pursuant to this paragraph.

(2) The requirements of this subsection shall be in addition to any other requirements of law, rule, or regulation not inconsistent therewith.

(3) This subsection shall not:

(b) apply in the case of lands to be acquired with federal moneys in whole or in part;

(c) apply in the case of lands to be acquired in accordance with subsection c. of this section;

(d) apply to projects funded using constitutionally dedicated moneys appropriated pursuant to the annual appropriations act for State fiscal year 2000 P.L.1999, c.138; or

f. Moneys appropriated from the fund shall not be used by local government units or qualifying tax exempt nonprofit organizations to acquire lands that are already permanently preserved for recreation and conservation purposes, as determined by the department.

g. Whenever lands are donated to the State by a public utility, as defined pursuant to Title 48 of the Revised Statutes, for recreation and conservation purposes, the commissioner may make and keep the lands accessible to the public, unless the commissioner determines that public accessibility would be detrimental to the lands or any natural resources associated therewith.

h. Whenever the State acquires land for recreation and conservation purposes, the agency in the Department of Environmental Protection responsible for administering the land shall, within six months after the date of acquisition, inspect the land for the presence of any buildings or structures thereon which are or may be historic properties and, within 60 days after completion of the inspection, provide to the New Jersey Historic Preservation Office in the department (1) a written notice of its findings, and (2) for any buildings or structures which are or may be historic properties discovered on the land, a request for determination of potential eligibility for inclusion of the historic building or structure in the New Jersey Register of Historic Places. Whenever such a building or structure is discovered, a copy of the written notice provided to the New Jersey Historic Preservation Office shall also be sent to the New Jersey Historic Trust and to the county historical commission or advisory committee, the county historical society, the local historic preservation commission or advisory committee, and the local historical society if any of those entities exist in the county or municipality wherein the land is located.

C.13:8C-27 Grants, loans, to local government unit; conditions.

27. a. (1) Any grant awarded by the State to a local government unit to acquire lands for recreation and conservation purposes shall be for 25% of the cost of acquisition, except that the trust may authorize an increase in the State's share of the cost to a maximum of 50% upon a demonstration of special need or exceptional circumstances.

(2) Notwithstanding the provisions of paragraph (1) of this subsection to the contrary:

(a) a grant by the State for lands acquired for recreation and conservation purposes by a qualifying open space referendum county or a qualifying open space referendum municipality shall be for 50% of the cost of acquisition of the lands by that county or municipality, except that the trust may authorize an increase in the State's share of the cost to a maximum of 75% upon a demonstration of special need or exceptional circumstances; and

(b) a grant by the State for lands acquired or developed for recreation and conservation

purposes by a local government unit in a municipality eligible to receive State aid pursuant to P.L.1978, c.14 (C.52:27D-178 et seq.) shall be for 50% of the cost of acquisition or development of the lands by the local government unit, except that the trust may authorize an increase in the State's share of the cost to a maximum of 75% upon a demonstration of special need or exceptional circumstances.

b. A loan by the State for lands to be acquired or developed by a local government unit for recreation and conservation purposes may include up to 100% of the cost of acquisition or development of the lands by the local government unit, shall bear interest of not more than 2% per year, and shall be for a term of not more than 30 years for an acquisition project and not more than 20 years for a development project.

c. (1) A grant by the State for lands to be acquired or developed by a qualifying tax exempt nonprofit organization for recreation and conservation purposes may include up to 50% of the cost of acquisition or development of the lands by the qualifying tax exempt nonprofit organization.

(2) (a) No grant shall be made to a qualifying tax exempt nonprofit organization for a development project for recreation and conservation purposes on lands owned by a local government unit unless the local government unit is a co-applicant with the qualifying tax exempt nonprofit organization or has otherwise indicated its approval in writing of the proposed development project.

(b) A qualifying tax exempt nonprofit organization shall not use as its matching share of the cost of acquisition or development of lands for recreation and conservation purposes any constitutionally dedicated grant moneys or any grant moneys obtained from a Green Acres bond act.

(3) To qualify to receive a grant pursuant to this subsection, the board of directors or governing body of the applying tax exempt nonprofit organization shall:

(a) demonstrate to the commissioner that the organization qualifies as a charitable conservancy for the purposes of P.L.1979, c.378 (C.13:8B-1 et seq.);

(b) demonstrate that the organization has the resources to match the grant requested;

(c) agree to make and keep the lands accessible to the public, unless the commissioner determines that public accessibility would be detrimental to the lands or any natural resources associated therewith;

(d) agree not to convey the lands except to the federal government, the State, a local government unit, or another qualifying tax exempt nonprofit organization, for recreation and conservation purposes; and

(e) agree to execute and donate to the State at no charge a conservation restriction pursuant to P.L.1979, c.378 (C.13:8B-1 et seq.) on the lands to be acquired with the grant.

d. The local government unit or qualifying tax exempt nonprofit organization share of the cost of an acquisition of lands, if any, may be reduced (1) by the fair market value, as determined by the commissioner, of any portion of the lands to be acquired that have been donated to, or otherwise received without cost by, the local government unit or qualifying tax exempt nonprofit organization; or (2) in the case of a conveyance of the lands, or any portion thereof, to the local government unit or qualifying tax exempt nonprofit organization at less than fair market value, by the difference between the fair market value at the time of the conveyance and the conveyance price to the local government unit or qualifying tax exempt nonprofit organization.

e. Whenever a local government unit or qualifying tax exempt nonprofit organization acquires land for recreation and conservation purposes using constitutionally dedicated moneys in whole or in part, the local government unit or qualifying tax exempt nonprofit organization, shall, within six months after the date of acquisition, inspect the land for the presence of any buildings or structures thereon which are or may be historic properties and, within 60 days after completion of the inspection, provide to the New Jersey Historic Preservation Office in the Department of Environmental Protection (1) a written notice of its findings, and (2) for any buildings or structures which are or may be historic properties discovered on the land, a request for determination of potential eligibility for inclusion of the historic building or structure in the New Jersey Register of Historic Places. Whenever such a building or structure is discovered, a copy of the written notice provided to the New Jersey Historic Preservation Office shall also

be sent to the New Jersey Historic Trust and to the county historical commission or advisory committee, the county historical society, the local historic preservation commission or advisory committee, and the local historical society if any of those entities exist in the county or municipality wherein the land is located.

C.13:8C-28 Use of power of eminent domain.

28. The State shall not use the power of eminent domain in any manner for the acquisition of lands by the State for recreation and conservation purposes using constitutionally dedicated moneys in whole or in part unless a concurrent resolution approving that use is approved by both Houses of the Legislature; except that, without the need for such a concurrent resolution, the State may use the power of eminent domain to the extent necessary to establish a value for lands to be acquired from a willing seller by the State for recreation and conservation purposes using constitutionally dedicated moneys in whole or in part.

C.13:8C-29 Payments to municipalities in lieu of taxes for lands acquired using dedicated money.

29. a. (1) (a) To the end that municipalities may not suffer a loss of taxes by reason of the acquisition and ownership by the State of lands in fee simple for recreation and conservation purposes, or the acquisition and ownership by qualifying tax exempt nonprofit organizations of lands in fee simple for recreation and conservation purposes that become certified exempt from property taxes pursuant to P.L.1974, c.167 (C.54:4-3.63 et seq.) or similar laws, using constitutionally dedicated moneys in whole or in part, the State shall pay annually on October 1 to each municipality in which lands are so acquired and owned, for a period of 13 years following an acquisition the following amounts: in the first year a sum of money equal to the tax last assessed and last paid by the taxpayer upon this land and the improvements thereon for the taxable year immediately prior to the time of its acquisition and thereafter the following percentages of the amount paid in the first year: second year, 92%; third year, 84%; fourth year, 76%; fifth year, 68%; sixth year, 60%; seventh year, 52%; eighth year, 44%; ninth year, 36%; 10th year, 28%; 11th year, 20%; 12th year, 12%; 13th year, 4%.

(2) After the 13th year, or sooner as provided pursuant to subparagraph (b) of paragraph (1) of this subsection, the State shall pay annually on October 1 to each municipality in which lands are so acquired and owned the following amounts: \$2 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute less than 20% of the total land area of the municipality; \$5 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute at least 20% but less than 40% of the total land area of the municipality; \$10 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute at least 40% but less than 60% of the total land area of the municipality; and \$20 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute at least 60% of the total land area of the municipality.

b. In the event that land acquired by the State, a local government unit, or a qualifying tax exempt nonprofit organization for recreation and conservation purposes was assessed at an agricultural and horticultural use valuation in accordance with provisions of the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.) at the time of its acquisition by the State, local government unit, or qualifying tax exempt nonprofit organization, no roll-back tax pursuant to section 8 of P.L.1964, c.48 (C.54:4-23.8) shall be imposed as to this land nor shall this roll-back tax be applicable in determining the annual payments to be made pursuant to subsection a. of this section by the State to the municipality in which this land is located.

c. Any payments made by the State pursuant to this section shall be paid from the General Fund but not from constitutionally dedicated moneys.

d. All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of these municipalities, and to accomplish this end the sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

e. For the purposes of this section, lands owned in fee simple by the State for recreation and conservation purposes shall mean State parks and forests, as defined pursuant to section 3 of P.L.1983, c.324 (C.13:1L-3), State wildlife management areas, and any other lands owned in fee simple by the State and administered by the Department of Environmental Protection for recreation and conservation purposes.

C.13:8C-30 Payments to municipalities in lieu of taxes for lands acquired using other than dedicated money.

30. a. With respect to lands acquired using any funding source other than constitutionally dedicated moneys, whether prior to the date of enactment of this act or thereafter, and owned in fee simple by the State or by a qualifying tax exempt nonprofit organization, and which lands are permanently preserved for recreation and conservation purposes, the State shall pay annually on October 1 to each municipality in which those lands are located the following amounts: \$2 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute less than 20% of the total land area of the municipality; \$5 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute at least 20% but less than 40% of the total land area of the municipality; \$10 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute at least 40% but less than 60% of the total land area of the municipality, and \$20 per acre of lands so acquired and owned for any municipality for which all lands owned in fee simple by the State or by a qualifying tax exempt nonprofit organization for recreation and conservation purposes constitute at least 60% of the total land area of the municipality.

b. In the event payments in lieu of taxes are due and payable from the State on those lands pursuant to another law, and those payments, if made by the State, would exceed those that would be paid pursuant to this section, the payments shall be made in accordance with the other law. In no case shall payments be made to a municipality in compliance with both this section and any other applicable law.

c. Any payments made by the State pursuant to this section shall be paid from the General Fund but not from constitutionally dedicated moneys.

d. All sums of money received by the respective municipalities as compensation for loss of tax revenue pursuant to this section shall be applied to the same purposes as is the tax revenue from the assessment and collection of taxes on real property of these municipalities, and to accomplish this end the sums shall be apportioned in the same manner as the general tax rate of the municipality for the tax year preceding the year of receipt.

e. For the purposes of this section, lands owned in fee simple by the State for recreation and conservation purposes shall mean State parks and forests, as defined pursuant to section 3 of P.L.1983, c.324 (C.13:1L-3), State wildlife management areas, and any other lands owned in fee simple by the State and administered by the Department of Environmental Protection for recreation and conservation purposes.

commissioner and the State House Commission established pursuant to R.S.52:20-1 et seq. Approval shall not be given unless the commissioner shall agree to pay an amount equal to or greater than the fair market value of the land at the time of the proposed conveyance, disposal, or diversion, as determined by the State House Commission, into the Garden State Green Acres Preservation Trust Fund; and the amount to be paid shall be determined also in accordance with the requirements of P.L.1993, c.38 (C.13:1D-51 et seq.). Moneys so returned to that fund shall be deemed wholly a part of the portion of that fund available for the acquisition by the State of lands for recreation and conservation purposes as provided pursuant to this act.

C.13:8C-32 Use of lands acquired, developed by local government unit tax exempt nonprofit organization using dedicated money.

32. a. Lands acquired or developed by a local government unit or a qualifying tax exempt nonprofit organization for recreation and conservation purposes using constitutionally dedicated moneys in whole or in part shall not be conveyed, disposed of, or diverted to a use for other than recreation and conservation purposes without the approval of the commissioner and the State House Commission and following a public hearing held at least one month prior to those approvals. Approval of the commissioner and the State House Commission shall not be given unless the local government unit or qualifying tax exempt nonprofit organization agrees to (1) replace the lands with lands of equal or greater fair market value and of reasonably equivalent size, quality, location, and usefulness for recreation and conservation purposes, as approved by the commissioner, or (2) pay an amount equal to or greater than the fair market value of the lands, as determined by the commission, into the Garden State Green Acres Preservation Trust Fund. Moneys so returned to that fund shall be deemed wholly a part of the portion of that fund available for grants or loans to local government units or grants to qualifying tax exempt nonprofit organizations for the acquisition of lands for recreation and conservation purposes as provided pursuant to this act.

b. A local government unit that receives a grant or loan for recreation and conservation purposes pursuant to this act shall not convey, dispose of, or divert to a use for other than recreation and conservation purposes any lands held by the local government unit for those purposes at the time of receipt of the grant or loan without the approval of the commissioner and the State House Commission and following a public hearing held by the local government unit at least one month prior to those approvals. Approval of the commissioner and the State House Commission shall not be given unless the local government unit agrees to (a) replace the lands with lands of equal or greater fair market value and of reasonably equivalent size, quality, location, and usefulness for recreation and conservation purposes, as approved by the commissioner, or (b) pay an amount equal to or greater than the fair market value of the lands, as determined by the commission, into the Garden State Green Acres Preservation Trust Fund. Moneys so returned to that fund shall be deemed wholly a part of the portion of that fund available for grants or loans to local government units for the acquisition of lands for recreation and conservation purposes as provided pursuant to this act.

c. For the purposes of this section, "fair market value" shall mean the fair market value at the time of the proposed conveyance, disposal, or diversion.

C.13:8C-33 Permissible actions by local government unit for other lands.

33.a. For lands held by a local government unit for recreation and conservation purposes that were neither acquired nor developed for any of those purposes with any financial assistance from the State, and which have been included in an inventory of lands prepared for the purposes of complying with section 32 of this act, the local government unit may (1) change the recreation and conservation purpose for which the lands are being used to another recreation and conservation purpose, including but not limited to developing the lands for public outdoor recreation, or (2) construct a building or other structure on the lands for public indoor recreation, provided that the local government unit has held at least one public hearing on the proposed change in purpose or use at least 90 days prior to final approval thereof by the local government unit. Any action taken by a local government unit pursuant to this section shall not be deemed to be a conveyance, disposal, or diversion for the purposes of subsection b. of section

32 of this act.

b. The local government unit shall provide to the commissioner (1) at least 30 days' advance written notice of any public hearing to be held on any such change in purpose or use, (2) within 90 days after final approval of the change in purpose or use by the local government unit, written proof that any such public hearing was held, and (3) written notice of the change in purpose or use within 90 days after it has been effected.

C.13:8C-34 Conveyance of land by local government unit, conditions.

34. a. A local government unit may convey lands held by the local government unit for recreation and conservation purposes to the federal government, the State, another local government unit, or a qualifying tax exempt nonprofit organization, provided that (1) the lands will continue to be preserved and used for recreation and conservation purposes, (2) any restrictions on the lands when they were held by the local government unit are maintained by the new owner, and (3) at least one public hearing on the proposed conveyance is held by the local government unit at least 90 days prior to final approval thereof by the local government unit.

b. C.13:8C-37 Use of funds appropriated for farmland preservation.

37. a. Moneys appropriated from the Garden State Farmland Preservation Trust Fund to the State Agriculture Development Committee for farmland preservation purposes shall be used by the committee to:

(1) Provide grants to local government units to pay up to 80% of the cost of acquisition of development easements on farmland, and to qualifying tax exempt nonprofit organizations to pay up to 50% of the cost of acquisition of development easements on farmland as provided in section 39 of this act, provided that any funds received for the transfer of a development easement shall be dedicated to the future purchase of development easements on farmland and the State's pro rata share of any such funds shall be deposited in the Garden State Farmland Preservation Trust Fund to be used for the purposes of that fund and provided that the terms of

any such development easement to be acquired by a qualifying tax exempt nonprofit organization shall be approved by the committee;

(2) Provide grants to local government units to pay up to 80% of the cost of acquisition of fee simple titles to farmland from willing sellers only, and to qualifying tax exempt nonprofit organizations to pay up to 50% of the cost of acquisition of fee simple titles to farmland from willing sellers only as provided in section 39 of this act, which shall be offered for resale or lease with agricultural deed restrictions, as determined by the committee, and any proceeds received from a resale shall be dedicated for farmland preservation purposes and the State's pro rata share of any such proceeds shall be deposited in the Garden State Farmland Preservation Trust Fund to be used for the purposes of that fund;

b. Moneys appropriated from the fund may be used to match grants, contributions, donations, or reimbursements from federal aid programs or from other public or private sources established for the same or similar purposes as the fund.

C.13:8C-38 Acquisitions, grants with respect to farmland preservation.

38. a. All acquisitions or grants made pursuant to section 37 of this act shall be made with respect to farmland devoted to farmland preservation under programs established by law.

b. The expenditure and allocation of constitutionally dedicated moneys for farmland preservation purposes shall reflect the geographic diversity of the State to the maximum extent practicable and feasible.

c. The committee shall implement the provisions of section 37 of this act in accordance with the procedures and criteria established pursuant to the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et seq.) except as provided otherwise by this act.

d. The committee shall adopt the same or a substantially similar method for determining, for the purposes of this act, the committee's share of the cost of a development easement on farmland to be acquired by a local government as that which is being used by the committee on the date of enactment of this act for prior farmland preservation funding programs.

e. Notwithstanding the provisions of section 24 of P.L.1983, c.32 (C.4:1C-31) or this act, or any rule or regulation adopted pursuant thereto, to the contrary, whenever the value of a development easement on farmland to be acquired using constitutionally dedicated moneys in whole or in part is determined based upon the value of any pinelands development credits allocated to the parcel pursuant to P.L.1979, c.111 (C.13:18A-1 et seq.) and the pinelands comprehensive management plan adopted pursuant thereto, the committee shall determine the value of the development easement by:

(1) conducting a sufficient number of fair market value appraisals as it deems appropriate to determine the value for farmland preservation purposes of the pinelands development credits;

(2) considering development easement values in counties, municipalities, and other areas (a) reasonably contiguous to, but outside of, the pinelands area, which in the sole opinion of the committee constitute reasonable development easement values in the pinelands area for the purposes of this subsection, and (b) in the pinelands area where pinelands development credits are or may be utilized, which in the sole opinion of the committee constitute reasonable development easement values in the pinelands area for the purposes of this subsection;

(3) considering land values in the pinelands regional growth areas;

(4) considering the importance of preserving agricultural lands in the pinelands area; and

(5) considering such other relevant factors as may be necessary to increase participation in the farmland preservation program by owners of agricultural lands located in the pinelands area.

f. No pinelands development credit that is acquired or obtained in connection with the acquisition of a development easement on farmland or fee simple title to farmland by the State, a

local government unit, or a qualifying tax exempt nonprofit organization using constitutionally dedicated moneys in whole or in part may be conveyed in any manner. All such pinelands development credits shall be retired permanently.

g. (1) For State fiscal years 2000 through 2004 only, when the department, a local government unit, or a qualifying tax exempt nonprofit organization seeks to acquire a development easement on farmland or the fee simple title to farmland for farmland preservation purposes using constitutionally dedicated moneys in whole or in part, it shall conduct or cause to be conducted an appraisal or appraisals of the value of the lands that shall be made using the land use zoning of the lands (a) in effect at the time of proposed acquisition, and (b) in effect on November 3, 1998 as if that land use zoning is still in effect at the time of proposed acquisition. The higher of those two values shall be utilized by the department, a local government unit, or a qualifying tax exempt nonprofit organization as the basis for negotiation with the landowner with respect to the acquisition price for the lands. The landowner shall be provided with both values determined pursuant to this paragraph. A landowner may waive any of the requirements of this paragraph and may agree to sell the lands for less than the values determined pursuant to this paragraph.

(2) The requirements of this subsection shall be in addition to any other requirements of law, rule, or regulation not inconsistent therewith.

(3) This subsection shall not:

(a) apply if the land use zoning of the lands at the time of proposed acquisition has not changed since November 3, 1998;

(b) apply in the case of lands to be acquired with federal moneys in whole or in part;

(c) apply in the case of lands to be acquired in accordance with subsection e. of this section;

(d) apply to projects funded using constitutionally dedicated moneys appropriated pursuant to the annual appropriations act for State fiscal year 2000 P.L.1999, c.138; or

(e) alter any requirements to disclose information to a landowner pursuant to the "Eminent Domain Act of 1971," P.L.1971, c.361 (C.20:3-1 et seq.).

h. Any farmland for which a development easement or fee simple title has been acquired pursuant to section 37 of this act shall be entitled to the benefits conferred by the "Right to Farm Act," P.L.1983, c.31 (C.4:1C-1 et al.) and the "Agriculture Retention and Development Act," P.L.1983, c.32 (C.4:1C-11 et seq.) P.L.1983, c.32 (C.4:1C-11 et al.).

C.13:8C-39 Grant to qualifying tax exempt nonprofit organization for farmland.

39. a. The committee may provide a grant to a qualifying tax exempt nonprofit organization for up to 50% of the cost of acquisition of (1) a development easement on farmland, provided that the terms of any such development easement shall be approved by the committee, or (2) fee simple title to farmland, which shall be offered for resale or lease with an agricultural deed restriction, as determined by the committee, and any proceeds received from a resale shall be dedicated for farmland preservation purposes and the State's pro rata share of any such proceeds shall be deposited in the Garden State Farmland Preservation Trust Fund to be used for the purposes of that fund.

b. The value of a development easement or fee simple title shall be established by two appraisals conducted on each parcel and certified by the committee. The appraisals shall be conducted by independent professional appraisers selected by the qualifying tax exempt nonprofit organization and approved by the committee from among members of recognized organizations of real estate appraisers.

c. The appraisals shall determine the fair market value of the fee simple title to the parcel, as well as the fair market value of the parcel for agricultural purposes. The difference between the two values shall represent an appraisal of the value of the parcel for nonagricultural purposes, which shall be the value of the development easement.

d. Any grant provided to a qualifying tax exempt nonprofit organization pursuant to this section shall not exceed 50% of the appraised value of the development easement, or of the fee simple title in the case of fee simple acquisitions, plus up to 50% of any costs incurred including but not limited to the costs of surveys, appraisals, and title insurance.

e. The appraisals conducted pursuant to this section or the fair market value of land

restricted to agricultural use shall not be used to increase the assessment and taxation of agricultural land pursuant to the "Farmland Assessment Act of 1964," P.L.1964, c.48 (C.54:4-23.1 et seq.).

f. To qualify to receive a grant pursuant to this section, the applicant shall:

- (1) demonstrate that it has the resources to match the grant requested; and
- (2) in the case of the acquisition of a development easement, agree not to convey the development easement except to the federal government, the State, a local government unit, or another qualifying tax exempt nonprofit organization, for farmland preservation purposes.

C.13:8C-40 Acquisition, permanent retirement of development easements on farmland.

40. a. The committee may acquire and permanently retire development easements on farmland.

b. The committee shall evaluate the suitability of the acquisition of a development easement based upon the eligibility criteria listed in subsection b. of section 24 of P.L.1983, c.32 (C.4:1C-31) and any other criteria that may be adopted by the committee.

c. Appraisals to determine the fair market value of a development easement to be acquired by the committee shall be conducted by appraisers approved by the committee and in a manner consistent with the process set forth in subsection c. of section 24 of P.L.1983, c.32 (C.4:1C-31).

(1) submission of specific plans and objectives for the preservation of the architectural and historical integrity of the project, including a statement of public benefit and the need for the work proposed;

(2) demonstration by the applicant of administrative capabilities to carry out the preservation plans required pursuant to paragraph (1) of this subsection;

(3) evidence of ability to meet the eligibility standards set forth in subsection b. of this section; and

(4) evidence that the historic property is and shall remain accessible to the public, or if it is not accessible to the public at the time of application, that it shall be made, and shall remain, accessible to the public.

b. To qualify to receive a construction grant pursuant to this section, the applicant shall:

(1) if not in ownership in fee simple of the property, obtain a valid lease of a term acceptable to the New Jersey Historic Trust within 18 months after the date of the appropriation by law of the moneys for the grant, or the grant for the project shall lapse into the Garden State Historic Preservation Trust Fund;

(2) certify that the property is an historic property and, if it is not listed in the New Jersey Register of Historic Places pursuant to P.L.1970, c.268 (C.13:1B-15.128 et seq.), agree to list it in that register;

(3) demonstrate that it has the resources to match the grant requested;

(4) agree, if requested by the New Jersey Historic Trust, to execute and donate at no charge to the New Jersey Historic Trust or another entity designated by the New Jersey Historic Trust, an historic preservation restriction pursuant to P.L.1979, c.378 (C.13:8B-1 et seq.) on the historic property; and

(5) in the case of a qualifying tax exempt nonprofit organization, agree not to convey the historic property to any person or organization that does not have tax exempt nonprofit or governmental status without the approval of the New Jersey Historic Trust.

c. Moneys raised within two years prior to the date of enactment of this act for ongoing

historic preservation projects may be used by an applicant to meet the matching requirements of this section, but moneys raised prior thereto may not be used for that purpose.

d. No grant awarded pursuant to this section may exceed \$750,000.

e. Recipients of grants awarded pursuant to this section shall reflect the racial, ethnic, and geographic diversity of the State.

f. Any local government unit or qualifying tax exempt nonprofit organization awarded a grant pursuant to this section shall execute a contract between that entity and the New Jersey Historic Trust within 18 months after the date of the appropriation by law of the moneys for the grant, or the grant for the project shall lapse into the Garden State Historic Preservation Trust Fund.

g. The New Jersey Historic Trust shall establish an advisory committee composed of trustees of the New Jersey Historic Trust and other individuals with the requisite professional expertise to evaluate the grant applications submitted pursuant to this section and to advise the New Jersey Historic Trust on the merits of each application received.

h. Moneys appropriated from the fund may be used to match grants, contributions, donations, or reimbursements from federal aid programs or from other public or private sources established for the same or similar purposes as the fund.

C.13:8C-42 Rules, regulations; contracts; study of utility easements.

42. a. Every officer, appointed or elected, and every employee of the State, county, municipality or any board or commission, or any other governing body, including boards of education, and governing bodies of service districts, individuals who are under the general supervision of the Palisades Interstate Park Commission and who work in that part of the Palisades Interstate Park which is located in this State, and also each and every member of a volunteer fire company doing public fire duty and also each and every active volunteer, first aid or rescue squad worker, including each and every authorized worker who is not a member of the volunteer fire company within which the first aid or rescue squad may have been created, doing public first aid or rescue duty under the control or supervision of any commission, council, or any other governing body of any municipality, any board of fire commissioners of such municipality or of any fire district within the State, or of the board of managers of any State institution, every county fire marshal and assistant county fire marshal, every special, reserve or auxiliary policeman doing volunteer public police duty under the control or supervision of any commission, council or any other governing body of any municipality, every emergency management volunteer doing emergency management service for the State and any person doing volunteer work for the Division of Parks and Forestry, the Division of Fish, Game and Wildlife, or the New Jersey Natural Lands Trust, as authorized by the Commissioner of Environmental Protection, or for the New Jersey Historic Trust, who may be injured in line of duty shall be compensated under and by virtue of the provisions of this article and article 2 of this chapter (R.S.34:15-7 et seq.). No former employee who has been retired on pension by reason of injury or disability shall be entitled under this section to compensation for such injury or disability; provided, however, that such employee, despite retirement, shall, nevertheless, be entitled to the medical, surgical and other treatment and hospital services as set forth in R.S.34:15-15.

Benefits available under this section to emergency management volunteers and volunteers participating in activities of the Division of Parks and Forestry, the Division of Fish, Game and Wildlife, the New Jersey Natural Lands Trust or the New Jersey Historic Trust, shall not be paid to any claimant who has another single source of injury or death benefits that provides the claimant with an amount of compensation that exceeds the compensation available to the claimant under R.S.34:15-1 et seq.

As used in this section, the terms "doing public fire duty" and "who may be injured in line of duty," as applied to members of volunteer fire companies, county fire marshals or assistant county fire marshals, and the term "doing public first aid or rescue duty," as applied to active volunteer first aid or rescue squad workers, shall be deemed to include participation in any authorized construction, installation, alteration, maintenance or repair work upon the premises, apparatus or other equipment owned or used by the fire company or the first aid or rescue squad, participation in any authorized public drill, showing, exhibition, fund raising activity or parade,

and to include also the rendering of assistance in case of fire and, when authorized, in connection with other events affecting the public health or safety, in any political subdivision or territory of another state of the United States or on property ceded to the federal government while such assistance is being rendered and while going to and returning from the place in which it is rendered.

Also, as used in this section, "doing public police duty" and "who may be injured in line of duty" as applied to special, reserve or auxiliary policemen, shall be deemed to include participation in any authorized public drill, showing, exhibition or parade, and to include also the rendering of assistance in connection with other events affecting the public health or safety in the municipality, and also, when authorized, in connection with any such events in any political subdivision or territory of this or any other state of the United States or on property ceded to the federal government while such assistance is being rendered and while going to and returning from the place in which it is rendered.

As used in this section, the terms "doing emergency management service" and "who may be injured in the line of duty" as applied to emergency management volunteers mean participation in any activities authorized pursuant to P.L.1942, c.251 (C.App. A:9-33 et seq.), except that the terms shall not include activities engaged in by a member of an emergency management agency of the United States Government or of another state, whether pursuant to a mutual aid compact or otherwise.

Every member of a volunteer fire company shall be deemed to be doing public fire duty under the control or supervision of any such commission, council, governing body, board of fire commissioners or fire district or board of managers of any State institution within the meaning of this section, if such control or supervision is provided for by statute or by rule or regulation of the board of managers or the superintendent of such State institution, or if the fire company of which he is a member receives contributions from, or a substantial part of its expenses or equipment are paid for by, the municipality, or board of fire commissioners of the fire district or if such fire company has been or hereafter shall be designated by ordinance as the fire department of the municipality.

Every active volunteer, first aid or rescue squad worker, including every authorized worker who is not a member of the volunteer fire company within which the first aid or rescue squad may have been created, shall be deemed to be doing public first aid or rescue duty under the control or supervision of any such commission, council, governing body, board of fire commissioners or fire district within the meaning of this section if such control or supervision is provided for by statute, or if the first aid or rescue squad of which he is a member or authorized worker receives or is eligible to receive contributions from, or a substantial part of its expenses or equipment are paid for by, the municipality, or board of fire commissioners of the fire district, or if such first aid or rescue squad has been or hereafter shall be designated by ordinance as the first aid or rescue squad of the municipality.

As used in this section and in R.S.34:15-74, the term "authorized worker" shall mean and include, in addition to an active volunteer fireman and an active volunteer first aid or rescue squad worker, any person performing any public fire duty or public first aid or rescue squad duty, as the same are defined in this section, at the request of the chief or acting chief of a fire company or the president or person in charge of a first aid or rescue squad for the time being.

Nothing herein contained shall be construed as affecting or changing in any way the provisions of any statute providing for sick, disability, vacation or other leave for public employees or any provision of any retirement or pension fund provided by law.

(1) producing, issuing, renewing, and publicizing the availability of historic preservation license plates; and

The notices, posters, and signs shall be designed by the Historic Preservation License Plate Advisory Committee with the approval of the secretary. The designs shall be subject to the approval of the director, and the secretary shall supply the division with the notices, posters, and signs to be circulated or posted by that division.

C.54:4-23.8 Determination of amount of rollback taxes.

8. When land which is in agricultural or horticultural use and is being valued, assessed and taxed under the provisions of P.L.1964, c.48 (C.54:4-23.1 et seq.), is applied to a use other than agricultural or horticultural, it shall be subject to additional taxes, hereinafter referred to as roll-back taxes, in an amount equal to the difference, if any, between the taxes paid or payable on the basis of the valuation and the assessment authorized hereunder and the taxes that would have been paid or payable had the land been valued, assessed and taxed as other land in the taxing district, in the current tax year (the year of change in use) and in such of the two tax years immediately preceding, in which the land was valued, assessed and taxed as herein provided.

If the tax year in which a change in use of the land occurs, the land was not valued, assessed and taxed under P.L.1964, c.48 (C.54:4-23.1 et seq.), then such land shall be subject to roll-back taxes for such of the two tax years, immediately preceding, in which the land was valued, assessed and taxed hereunder.

Notwithstanding the provisions of any law, rule, or regulation to the contrary, land which is valued, assessed and taxed under the provisions of P.L.1964, c.48 (C.54:4-23.1 et seq.) and is acquired by the State, a local government unit, or a qualifying tax exempt nonprofit organization for recreation and conservation purposes shall not be subject to roll-back taxes. As used in this section, "acquired," "local government unit," "qualifying tax exempt nonprofit organization," and "recreation and conservation purposes" mean the same as those terms are defined pursuant to section 3 of P.L.1999, c.152 (C.13:8C-3).

In determining the amounts of the roll-back taxes chargeable on land which has undergone a change in use, the assessor shall for each of the roll-back tax years involved, ascertain:

(a) The full and fair value of such land under the valuation standard applicable to other land in the taxing district;

(b) The amount of the land assessment for the particular tax year by multiplying such full and fair value by the county percentage level, as determined by the county board of taxation in accordance with section 3 of P.L.1960, c.51 (C.54:4-2.27);

(c) The amount of the additional assessment on the land for the particular tax year by deducting the amount of the actual assessment on the land for that year from the amount of the

land assessment determined under (b) hereof; and

(d) The amount of the roll-back tax for that tax year by multiplying the amount of the additional assessment determined under (c) hereof by the general property tax rate of the taxing district applicable for that tax year.
