2. N.J.S.2C:35-14 is amended to read as follows:

Rehabilitation program for drug and alcohol dependent persons; criteria for imposing special probation; ineligible offenders; prosecutorial objections; mandatory commitment to residential treatment facilities; presumption of revocation; brief incarceration in lieu of permanent revocation.

2C:35-14. Rehabilitation Program for Drug and Alcohol Dependent Persons; Criteria for Imposing Special Probation; Ineligible Offenders; Prosecutorial Objections; Mandatory Commitment to Residential Treatment Facilities; Presumption of Revocation; Brief Incarceration in Lieu of Permanent Revocation.

a. Notwithstanding the presumption of incarceration pursuant to the provisions of

subsection d. of N.J.S.2C:44-1, and except as provided in subsection c. of this section, whenever a drug or alcohol dependent person is convicted of or adjudicated delinquent for an offense, other than one described in subsection b. of this section, the court, upon notice to the prosecutor, may, on motion of the person, or on the court's own motion, place the person on special probation, which shall be for a term of five years, provided that the court finds on the record that:

(1) the person has undergone a professional diagnostic assessment to determine whether and to what extent the person is drug or alcohol dependent and would benefit from treatment; and

(2) the person is a drug or alcohol dependent person within the meaning of N.J.S.2C:35-2 and was drug or alcohol dependent at the time of the commission of the present offense; and

(3) the present offense was committed while the person was under the influence of a controlled dangerous substance, controlled substance analog or alcohol or was committed to acquire property or monies in order to support the person's drug or alcohol dependency; and

(4) substance abuse treatment and monitoring will serve to benefit the person by addressing his drug or alcohol dependency and will thereby reduce the likelihood that the person will thereafter commit another offense; and

(5) the person did not possess a firearm at the time of the present offense and did not possess a firearm at the time of any pending criminal charge; and

(6) the person has not been previously convicted on two or more separate occasions of crimes of the first, second or third degree, other than crimes defined in N.J.S.2C:35-10; and

(7) the person has not been previously convicted or adjudicated delinquent for, and does not have a pending charge of murder, aggravated manslaughter, manslaughter, robbery, kidnapping, aggravated assault, aggravated sexual assault or sexual assault, or a similar crime under the laws of any other state or the United States; and

(8) a suitable treatment facility licensed and approved by the Department of Health and Senior Services is able and has agreed to provide appropriate treatment services in accordance with the requirements of this section; and

(9) no danger to the community will result from the person being placed on special probation pursuant to this section.

In determining whether to sentence the person pursuant to this section, the court shall consider all relevant circumstances, and shall take judicial notice of any evidence, testimony or information adduced at the trial, plea hearing or other court proceedings, and shall also consider the presentence report and the results of the professional diagnostic assessment to determine whether and to what extent the person is drug or alcohol dependent and would benefit from treatment.

As a condition of special probation, the court shall order the person to enter a treatment program at a facility licensed and approved by the Department of Health and Senior Services, to comply with program rules and the requirements of the course of treatment, to cooperate fully with the treatment provider, and to comply with such other reasonable terms and conditions as may be required by the court or by law, pursuant to N.J.S.2C:45-1, and which shall include periodic urine testing for drug or alcohol usage throughout the period of special probation. Subject to the requirements of subsection d. of this section, the conditions of special probation may include different methods and levels of community-based or residential supervision.

b. A person shall not be eligible for special probation pursuant to this section if the person is convicted of or adjudicated delinquent for:

(1) a crime of the first degree;

(2) a crime of violence as defined in subsection d. of N.J.S.2C:43-7.2;

(3) a crime, other than that defined in N.J.S.2C:35-7, for which a mandatory minimum period of incarceration is prescribed under chapter 35 of this Title or any other law; or

(4) an offense that involved the distribution or the conspiracy or attempt to distribute a controlled dangerous substance or controlled substance analog to a juvenile near or on school property.

c. A person convicted of or adjudicated delinquent for an offense under section 1 of P.L.1987, c.101 (C.2C:35-7), subsection b. of section 1 of P.L.1997, c.185 (C.2C:35-4.1), or any crime for which there exists a presumption of imprisonment pursuant to subsection d. of

N.J.S.2C:44-1 or any other statute, or who has been previously convicted of an offense under subsection a. of N.J.S.2C:35-5 or a similar offense under any other law of this State, any other state or the United States, shall not be eligible for sentence in accordance with this section if the prosecutor objects to the person being placed on special probation. The court shall not place a person on special probation over the prosecutor's objection except upon a finding by the court of a gross and patent abuse of prosecutorial discretion. If the court makes a finding of a gross and patent abuse of prosecutorial discretion and imposes a sentence of special probation notwithstanding the objection of the prosecutor, the sentence of special probation imposed pursuant to this section shall not become final for 10 days in order to permit the appeal of such sentence by the prosecution.

d. A person convicted of or adjudicated delinquent for a crime of the second degree or of a violation of section 1 of P.L.1987, c.101 (C.2C:35-7), or who previously has been convicted of or adjudicated delinquent for an offense under subsection a. of N.J.S.2C:35-5 or a similar offense under any other law of this State, any other state or the United States, who is placed on special probation under this section shall be committed to the custody of a residential treatment facility licensed and approved by the Department of Health and Senior Services, whether or not residential treatment was recommended by the person conducting the diagnostic assessment. The person shall be committed to the residential treatment facility immediately, unless the facility cannot accommodate the person, in which case the person shall be incarcerated to await commitment to the residential treatment facility. The term of such commitment shall be for a minimum of six months, or until the court, upon recommendation of the treatment provider, determines that the person has successfully completed the residential treatment program, whichever is later, except that no person shall remain in the custody of a residential treatment facility pursuant to this section for a period in excess of five years. Upon successful completion of the required residential treatment program, the person shall complete the period of special probation, as authorized by subsection a. of this section, with credit for time served for any imprisonment served as a condition of probation and credit for each day during which the person satisfactorily complied with the terms and conditions of special probation while committed pursuant to this section to a residential treatment facility. The person shall not be eligible for early discharge of special probation pursuant to N.J.S.2C:45-2, or any other provision of the law. The court, in determining the number of credits for time spent in residential treatment, shall consider the recommendations of the treatment provider. A person placed into a residential treatment facility pursuant to this section shall be deemed to be subject to official detention for the purposes of N.J.S.2C:29-5 (escape).

e. The probation department or other appropriate agency designated by the court to monitor or supervise the person's special probation shall report periodically to the court as to the person's progress in treatment and compliance with court-imposed terms and conditions. The treatment provider shall promptly report to the probation department or other appropriate agency all significant failures by the person to comply with any court imposed term or condition of special probation or any requirements of the course of treatment, including but not limited to a positive drug or alcohol test or the unexcused failure to attend any session or activity, and shall immediately report any act that would constitute an escape. The probation department or other appropriate agency shall immediately notify the court and the prosecutor in the event that the person refuses to submit to a periodic drug or alcohol test or for any reason terminates his participation in the course of treatment, or commits any act that would constitute an escape.

f. (1) Upon a first violation of any term or condition of the special probation authorized by this section or of any requirements of the course of treatment, the court in its discretion may permanently revoke the person's special probation.

(2) Upon a second or subsequent violation of any term or condition of the special probation authorized by this section or of any requirements of the course of treatment, the court shall, subject only to the provisions of subsection g. of this section, permanently revoke the person's special probation unless the court finds on the record that there is a substantial likelihood that the person will successfully complete the treatment program if permitted to continue on special probation, and the court is clearly convinced, considering the nature and seriousness of the violations, that no danger to the community will result from permitting the person to continue

on special probation pursuant to this section. The court's determination to permit the person to continue on special probation following a second or subsequent violation pursuant to this paragraph may be appealed by the prosecution.

(3) In making its determination whether to revoke special probation, and whether to overcome the presumption of revocation established in paragraph (2) of this subsection, the court shall consider the nature and seriousness of the present infraction and any past infractions in relation to the person's overall progress in the course of treatment, and shall also consider the recommendations of the treatment provider. The court shall give added weight to the treatment provider's recommendation that the person's special probation be permanently revoked, or to the treatment provider's opinion that the person is not amenable to treatment or is not likely to complete the treatment program successfully.

(4) If the court permanently revokes the person's special probation pursuant to this subsection, the court shall impose any sentence that might have been imposed, or that would have been required to be imposed, originally for the offense for which the person was convicted or adjudicated delinquent. The court shall conduct a de novo review of any aggravating and mitigating factors present at the time of both original sentencing and resentencing. If the court determines or is required pursuant to any other provision of this chapter or any other law to impose a term of imprisonment, the person shall receive credit for any time served in custody pursuant to N.J.S.2C:45-1 or while awaiting placement in a treatment facility pursuant to this section, and for each day during which the person satisfactorily complied with the terms and conditions of special probation while committed pursuant to this section to a residential treatment facility. The court, in determining the number of credits for time spent in a residential treatment facility, shall consider the recommendations of the treatment provider.

(5) Following a violation, if the court permits the person to continue on special probation pursuant to this section, the court shall order the person to comply with such additional terms and conditions, including but not limited to more frequent drug or alcohol testing, as are necessary to deter and promptly detect any further violation.

(6) Notwithstanding any other provision of this subsection, if the person at any time refuses to undergo urine testing for drug or alcohol usage as provided in subsection a. of this section, the court shall, subject only to the provisions of subsection g. of this section, permanently revoke the person's special probation. Notwithstanding any other provision of this section, if the person at any time while committed to the custody of a residential treatment facility pursuant to this section commits an act that would constitute an escape, the court shall forthwith permanently revoke the person's special probation.

(7) An action for a violation under this section may be brought by a probation officer or prosecutor or on the court's own motion. Failure to complete successfully the required treatment program shall constitute a violation of the person's special probation. A person who fails to comply with the terms of his special probation pursuant to this section and is thereafter sentenced to imprisonment in accordance with this subsection shall thereafter be ineligible for entry into the Intensive Supervision Program.

g. When a person on special probation is subject to a presumption of revocation on a second or subsequent violation pursuant to paragraph (2) of subsection f. of this section, or when the person refuses to undergo drug or alcohol testing pursuant to paragraph (6) of subsection f. of this section, the court may, in lieu of permanently revoking the person's special probation, impose a term of incarceration for a period of not less than 30 days nor more than six months, after which the person's term of special probation pursuant to this section may be reinstated. In determining whether to order a period of incarceration in lieu of permanent revocation pursuant to this subsection, the court shall consider the recommendations of the treatment provider with respect to the likelihood that such confinement would serve to motivate the person to make satisfactory progress in treatment once special probation is reinstated. This disposition may occur only once with respect to any person unless the court is clearly convinced that there are compelling and extraordinary reasons to justify reimposing this disposition with respect to the person. Any such determination by the court to reimpose this disposition may be appealed by the prosecution. Nothing in this subsection shall be construed to limit the authority of the court at any time during the period of special probation to order a person on special probation who

is not subject to a presumption of revocation pursuant to paragraph (2) of subsection f. of this section to be incarcerated over the course of a weekend, or for any other reasonable period of time, when the court in its discretion determines that such incarceration would help to motivate the person to make satisfactory progress in treatment.

h. The court, as a condition of its order, and after considering the person's financial resources, shall require the person to pay that portion of the costs associated with his participation in any rehabilitation program or period of residential treatment imposed pursuant to this section which, in the opinion of the court, is consistent with the person's ability to pay, taking into account the court's authority to order payment or reimbursement to be made over time and in installments.

i. The court shall impose, as a condition of the special probation, any fine, penalty, fee or restitution applicable to the offense for which the person was convicted or adjudicated delinquent.

3. N.J.S.2C:35-15 is amended to read as follows:

Mandatory drug enforcement and demand reduction penalties; collection; disposition; suspension.

2C:35-15. a. In addition to any disposition authorized by this title, the provisions of section 24 of P.L.1982, c.77 (C.2A:4A-43), or any other statute indicating the dispositions that can be ordered for an adjudication of delinquency, every person convicted of or adjudicated delinquent for a violation of any offense defined in this chapter or chapter 36 of this title shall be assessed for each such offense a penalty fixed at:

- (1) \$3,000.00 in the case of a crime of the first degree;
- (2) \$2,000.00 in the case of a crime of the second degree;
- (3) \$1,000.00 in the case of a crime of the third degree;
- (4) \$750.00 in the case of a crime of the fourth degree;
- (5) \$500.00 in the case of a disorderly persons or petty disorderly persons offense.

Every person placed in supervisory treatment pursuant to the provisions of N.J.S.2C:36A-1 or N.J.S.2C:43-12 for a violation of any offense defined in this chapter or chapter 36 of this title shall be assessed the penalty prescribed herein and applicable to the degree of the offense charged, except that the court shall not impose more than one such penalty regardless of the number of offenses charged. If the person is charged with more than one offense, the court shall impose as a condition of supervisory treatment the penalty applicable to the highest degree offense for which the person is charged.

All penalties provided for in this section shall be in addition to and not in lieu of any fine authorized by law or required to be imposed pursuant to the provisions of N.J.S.2C:35-12.

b. All penalties provided for in this section shall be collected as provided for collection of fines and restitutions in section 3 of P.L.1979, c.396 (C.2C:46-4), and shall be forwarded to the Department of the Treasury as provided in subsection c. of this section.

c. All moneys collected pursuant to this section shall be forwarded to the Department of the Treasury to be deposited in a nonlapsing revolving fund to be known as the "Drug Enforcement and Demand Reduction Fund." Moneys in the fund shall be appropriated by the Legislature on an annual basis for the purposes of funding in the following order of priority: (1) the Alliance to Prevent Alcoholism and Drug Abuse and its administration by the Governor's Council on Alcoholism and Drug Abuse; (2) the "Alcoholism and Drug Abuse Program for the Deaf, Hard of Hearing and Disabled" established pursuant to section 2 of P.L.1995, c.318 (C.26:2B-37); (3) the "Partnership for a Drug Free New Jersey," the State affiliate of the "Partnership for a Drug Free America"; and (4) other alcohol and drug abuse programs.

Moneys appropriated for the purpose of funding the "Alcoholism and Drug Abuse Program for the Deaf, Hard of Hearing and Disabled" shall not be used to supplant moneys that are available to the Department of Health and Senior Services as of the effective date of P.L.1995, c.318 (C.26:2B-36 et al.), and that would otherwise have been made available to provide alcoholism and drug abuse services for the deaf, hard of hearing and disabled, nor shall the moneys be used for the administrative costs of the program.

d. (Deleted by amendment, P.L.1991, c.329).

e. The court may suspend the collection of a penalty imposed pursuant to this section; provided the person is ordered by the court to participate in a drug or alcohol rehabilitation program approved by the court; and further provided that the person agrees to pay for all or some portion of the costs associated with the rehabilitation program. In this case, the collection of a penalty imposed pursuant to this section shall be suspended during the person's participation in the approved, court-ordered rehabilitation program. Upon successful completion of the program, as determined by the court upon the recommendation of the treatment provider, the person may apply to the court to reduce the penalty imposed pursuant to this section by any amount actually paid by the person for his participation in the program. The court shall not reduce the penalty pursuant to this subsection unless the person establishes to the satisfaction of the court that he has successfully completed the rehabilitation program. If the person's participation is for any reason terminated before his successful completion of the rehabilitation program, collection of the entire penalty imposed pursuant to this section shall be enforced. Nothing in this section shall be deemed to affect or suspend any other criminal sanctions imposed pursuant to this chapter or chapter 36 of this title.

4. This act shall take effect immediately.

Approved January 14, 2000.
